THE GIFT SCHOLARS BESPOKE PRODUCT DESIGN

Based in Warwickshire, The Gift Scholars supplies over 100 sports clubs in the UK & Europe with quality merchandise for their retail stores and websites.

We design & produce an ever growing selection of products, both off the shelf and bespoke.

From initial product design, through to delivery and P.O.S display, we are fully engaged in every stage of the process and take pride in the close relationships we build with our customers.

Our design team work with you to create your own bespoke product vision for your club.

The company continues to make great progress in minimising our impact on the environment, and now most of our designs include up to 100% recycled material options.

We continue to offer plastic free packaging and up to 100% recycled packaging options, with many of our products containing recycled materials as standard.

The Gift Scholars

OUR PROCESS

Want to understand how we process client projects?
See our easy step by step process below.

STEP 1

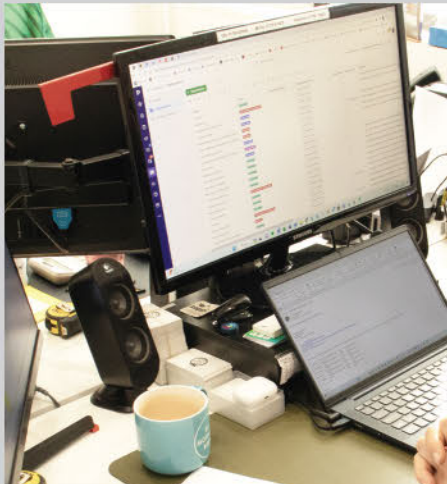

Discussion & Information

Once contacted, our friendly sales team will provide you with the information you need about the products we offer.

STEP 2

Project & Design Brief

Next we discuss what kind of services you require, setting goals and creating a detailed brief for our design team to follow.

STEP 3

Product Design & Creation

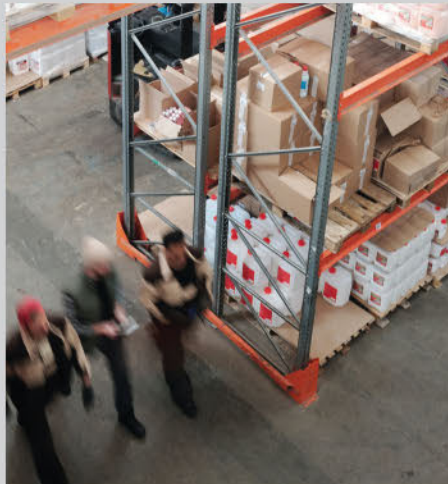

Our in-house design specialists then take on your project, diligently working to capture your vision as accurately as possible.

Once the design stage has been completed, we work with our trusted manufacturers to bring your products to life.

STEP 4

Quality Checks & Delivery

Once created and quality checked, your newly created products are then shipped to our warehouses.

Before we send you the finished article, our team perform a second quality check to ensure customer satisfaction.

The Gift Scholars

BESPOKE GIFTS

Here at The Gift Scholars we help businesses transform their retail experience for their customers through bespoke product design innovation, offering an enormous range of high quality off-the-shelf solutions alongside specialised tailored design options.

The benefits of using our bespoke product design services are significant. As it grants our clients access to unique, tailored product & design solutions that meet their vision.

This results in thoughtful product lines and collections that are big hits with customer bases.

And, when it comes to cost, we offer competitive pricing without compromising quality.
