# Welcome

It is with tremendous pride that I introduce our spring new titles catalogue for 2024, the year in which we will celebrate the fifth anniversary of 'new' D&C. We started this year as the IPG Specialist Consumer Publisher of the Year and you will see books here that demonstrate the qualities that enabled our award success. Across the team there is a passion, energy and commitment to improve and develop the quality and breadth of our publishing, which spans over 60 years of D&C heritage.

We believe that by empowering people to learn new skills and explore their interests, we can create a brighter future. This list is full of books that provide that empowerment and teach those skills. We also believe in doing the right thing, and have taken further steps to ensure our business is considerate of the environment with our updated sustainability policy, which you can find on our website.

There are many great books in this list for you to consider. We can already see *Knit a Box of Socks* (9781446312803) will be a favourite with the knitting community, a view that will be matched in crochet with *Crochet Secrets from The Knotty Boss* (9781446313206). Crocheters will also be delighted to see a new edition of *Edward's Menagerie* (9781446310625), building on this book's 10-year bestselling record. The concept behind *Clone your Clothes* (9781446312759) is one that will appeal to all sewers, while *Stitch Stars: Harry* (9781446313329) is the first in a new series celebrating some of our most high-profile celebrities.

Outside of craft, we continue to appeal to the practical artist with *Step-by-Step Portraits from Simple Shapes* (9781446310007) and *Creative Abstract Watercolor* (9781446310564). Both *Plant Names Explained* (9781446313510) and *Gardener's Folklore* (9781446312599) will delight gardeners, the latter being a reissue of a heritage D&C title that still has huge appeal today. Our wellbeing titles also include the launch of the *Healing Power* series, with titles on sound, scent and movement.

These books are complemented by our growing range of card decks and craft kits. You will find *Tarot Spreads* (9781446312629) and *The Magic of Seeds* (9781446312636) in deck form, and another craft kit with our license partner Pokémon.

To all of our customers, representatives, agents, distributors and partners, thank you for your support over these past five years and we look forward to working with you through this year with these fantastic books.

# 100 KNITTED TILES

Various

## CHARTS AND PATTERNS FOR KNITTED MOTIFS INSPIRED BY DECORATIVE TILES

Decorative tiles have long been a source of inspiration for designers and artists due to their often intricate patterns and colours. This collection of knitting patterns and charts includes 100 designs inspired by decorative ceramic tiles from around the world. In addition to the motif patterns there are instructions for five knitting projects to show how specific tiles can be used to make blankets, pillow cases, a needlecase and a knitted bag.

Using a variety of different colourwork knitting techniques such as stranded knitting, mosaic knitting, and intarsia, as well as textured and lace knitting techniques and special stitches, a number of talented knitting designers have developed their own interpretations for readers to create with yarn.

Contributors include top names in knitting from Europe, the US and the UK, such as bestselling author Lynne Rowe, Carmen Jorrisen, Ashleigh Wempe and Sylvia Watts-Cherry.

# FILET CROCHET TO WEAR

Lauren Willis

## A BEGINNER-FRIENDLY GUIDE TO FILET CROCHET FASHION

A fresh look at filet crochet with 15 crochet patterns for filet crochet garments including sweaters and cardigans. Filet crochet was traditionally worked using cotton perlé thread and used to create delicate home décor projects but this fun collection takes it to another level by working it in thicker yarn and shows how impactful it can be when it's used for garments. The 15 garments are graded to 10 different sizes so the patterns are very size inclusive.

Author Lauren Willis is a rising star crochet designer and technical editor specialising in garment design. She is committed to creating size inclusive patterns for all and is a filet crochet addict. She has over 27K followers on Instagram and is highly visible in the online crochet community.

# QUICK KNIT BABY TOYS

Juliette Michelet

## 20 BEGINNER-FRIENDLY PATTERNS FOR KNITTED BABY COMFORTERS

A charming collection of 20 knitting patterns for baby comforter toys. The fun and colourful doll designs include a range of animals and people, from the simple Baby and Bird, through to more complicated patterns like the King and the Fox. Knitters will love these small projects because they are perfect for using up their yarn stash as they only take small amounts of any colour.

The author has developed a clever technique whereby the toys are knitted flat in a rectangle shape and then stitched into a tube shape before being stuffed and closed. Any embroidery details on the clothes are added at this point. The arms, head and waist, as well as features such as ears and antlers, are then defined with some clever stitching and there are step-by-step instructions and photographs showing how to do this.

Juliette Michelet is an experienced knitting designer and author with a strong online presence. She is known for her tutorials and patterns for knitting, crochet and punch needle projects.

## PLANT NAMES EXPLAINED

### BOTANICAL TERMS AND THEIR MEANING

Precise naming is essential to be able to identify plants accurately and most gardeners have at least some knowledge of 'botanical Latin'. But a plant's full botanical name does much more than give it a unique label. *Plant Names Explained* is an indispensable guide and makes the subject accessible, enjoyable and fun. It shows not only how plant names work, but also how to make use of them in entertaining as well as practical ways.

A selective alphabetical listing of botanical names and their explanations is accompanied by features exploring cultivar names, with translations of foreign terms and lists of plants that can be linked with special occasions and celebrations, or with personal names. Other features highlight the places, people and plant characteristics that lie behind the names: gardens and nurseries, countries and cities, plant hunters and gardeners, colours, characteristics and habitats.

## GARDENER'S FOLKLORE

Margaret Baker

### THE ANCIENT SECRETS FOR GARDENING MAGIC

This delightfully written book shows just what people have believed – and still believe – will help their plants grow. Filled with gardening lore gleaned from the people who had the greenest of thumbs, *Gardener's Folklore* explores and celebrates rural living and offers plenty of gardening tips to use today.

First published in 1976, *Gardener's Folklore* collects the little bits of magic and myth to be found in the gardens of Britain and North America. Compiled from letters sent by gardeners to the author Margaret Baker, it unravels and documents the mysterious sayings and scraps of knowledge that are passed down through generations, while exploring the science of the time that backed up – or in some cases, didn't – the claims that were made.

Capturing the knowledge that traditional gardeners used to have remarkable successes, the ancient secrets of a happy healthy garden are shared for a new generation of green-fingered plant-lovers.

## THE CRYSTAL COLLECTOR

Jillian Aurelia Green

TEMPORARY COVER

### HOW TO BUILD A LIFELONG COLLECTION OF PRECIOUS STONES

The first crystal book to combine the practicality of how to select, source, care for and curate a crystal collection with the more metaphysical aspects of the crystal world.

Organized into three sections, Part One looks at how crystals are mined, how to tell which are genuine and which are counterfeit and how to sustainably and ethically source crystals. Part Two is the heart of the book and details collections of crystals that will make sense together either for their intentional properties or because they are geologically interesting. Part Three shares how to care for crystals, including how to organize and store them. Melding the scientific and the spiritual, this is the perfect user's guide to crystal collecting.

## SIMPLE ACTS OF KINDNESS

Jacqueline Snowden

### A 52-WEEK INTERACTIVE JOURNAL

We can all agree that the world could always do with more kindness. But this doesn't have to mean grand gestures or expensive gifts – often it's the small, everyday interactions that matter the most. Over 52 weeks, this undated journal guides readers through the process of recognizing the moments of kindness in their lives, and helps them to spread that kindness to every person they meet. Combining the mindfulness of a gratitude journal with the practicality of a workbook, the role of kindness in modern life is fully explored with thought-provoking insights and exercises guiding readers every step of the way.

Spread throughout the journal are suggestions for over 100 simple acts of kindness that you can perform, and 30 pages exploring the role of kindness in modern life from author Jacqueline Snowden.

### DISCOVER THE MAGICAL LIFE WITHIN

*Find your Soul Path* seamlessly blends spirituality with self-help as it seeks to give the reader the tools to live in a more conscious way. Author and eclectic witch Emma Griffin shows the reader how to discover their soul-purpose and move through the world in a way that starts from a place of purpose and authenticity. Starting in the home, all areas of life are explored, with mindfulness, intuition and empowerment leading the way. A fantastic introduction to developing a spiritual practice, *Find your Soul Path* is a gentle exploration of the most easily accessible aspects of witchcraft presented – alongside genuinely helpful life advice – in a way that will appeal to those interested in new age spirituality and the role it can play in modern life.

Emma Griffin has a following of over 90K on Instagram, and has been a guest on ITV and Heart FM. She has featured regularly in publications such as *The Sun* on Sunday's *Fabulous* magazine, the *Daily Mirror* and the *Daily Express*, and contributed to the BBC Sounds podcast series *Witch*.

### A YEAR OF RITUAL AND HEALING UNDER THE LIGHT OF THE FULL MOON

*The Full Moon Yearbook* combines Native American, Celtic and East Asian cultures in an international book celebrating the power of the full moon. Over thirteen chapters, the names and mythology associated with each full moon are explored, as well as corresponding crystals, rituals, and yoga practices to engage with the energy of the full moon. *The Full Moon Yearbook* is perfect for anyone who has ever felt a pull towards living in harmony with the moon, and longs to be living a lunar-inspired life.

Julie Peters is a writer, yoga and meditation teacher, tarot reader, and wellness counselor based in Canada. She is an award-winning writer at *Spirituality and Health Magazine*.

### STORIES AND RECIPES FROM THE HISTORICAL APOTHECARY CABINET

A practical guide to making over 25 recipes used by traditional European herbalists throughout the ages, with the history of the skills and crafts woven through. This how-to guide includes salves, tinctures, teas, bakes and balms using traditional herbalist methods. Organized chronologically, the stories of the herbalist's craft are told through the recipes, starting with the ancient Romans and ending in the early modern period. Alongside the recipes are tips and guidance from a trained herbalist and storyteller, combining the two to form an engaging and informative narrative and, most importantly, safe recipes.

Author Amanda Edmiston runs *Botanica Fabula* and has previously worked with The National Literacy Trust. Amanda has been showcasing her own work for over 10 years, performing and creating art in museums, libraries, forests, castles, schools and universities around the world.
