Our Story

Emily Smith is a British brand that launched in 2018.

Emily is a dairy farmer's wife and mother to two fantastic children, her venture all started with a painting she did for her son's bedroom. She then stepped out of her comfort zone from a simple canvas to pursue and grow her love for design. She has now curated a collection of luxury homewares and accessories, one to make a person smile. Each of Emily's designs

brings character and charm, inspired by the imaginations of her children, William and Livy and from living in the beautiful Devon countryside.

Emily is proud to support British manufacturing and she has a real passion for combining colour, fun and quality.

GIN IN A TIN™

THE UNITED COLOURS OF JUNIPER

Gins of Distinction that Speak Volumes

Inside our Camilla tin is Emily's favourite tippie: best selling blend Gin No.2.

We love Gin No.2 with its distinctive notes of lemon peel, coriander, cardamom, and many more botanicals centred around juniper berries to create the ultimate refreshing taste.

Using classic dry botanicals, this is a straight forward no-nonsense gin. Perfect for a martini or G&T.

- **Tasting Notes** - A smooth crisp gin with juniper at the forefront, citrus notes of lemon and orange, finished with subtle notes of cardamom.
- **Serving Suggestion** - Serve over ice with tonic and garnish with pink grapefruit. Alternatively mix up as a martini.
- **Allergen Advice** - May contain wheat
- **British Made**
