# 104 years and counting

Welcome to the Gibsons 2024 catalogue - our first as a certified B Corp! Since pioneering smaller boxes and removing shrink wrap plastic, we've not stopped striving to do better for our people and the planet. We're delighted to join the global community of businesses that meet B Lab's high standards for social and environmental impact.

We're especially excited to introduce you to our refreshed XL range (p. 18), our Jokesaws collection (p. 42), and a commemorative D-Day puzzle in collaboration with Help for Heroes (p. 44).

The market conditions in recent years have been turbulent for everyone, but there is something rejuvenating about a new year and the launch of products we've been working hard to develop behind the scenes.

I am proud to lead our fantastic team who are ready and available to answer any questions you might have.

Thank you for your support - it means a lot!

*Kate Gibson*

*From our family to yours - enjoy!*

Ⓜ TFL OFFICIAL LICENSED PRODUCT

## Fast Track

G9030 | Andrew Harman

Step into the vibrant world of London and match British icons, London landmarks, and TfL lines. You all play at once, so speed is essential! Flip over a 'Go To' card and off you go. Will you spot the matches before everyone else?

Age 5+ Players 2-8

## Mind the Gap

G9016 | Transport for London

Hop aboard the famous London Underground and discard your cards as you go! Match your tube line colours with those laid down by the previous player to whittle down your hand. But beware of the special cards, they may stop you in your tracks!

Age 6+ Players 2-8

## Connecting London

G9026 | Andrew Harman

Race to build zone 1 of the London underground, connecting stations and London landmarks as you go. If you can make the most connections, you are sure to score! Can you stay on track to win? Or will you be derailed by another passenger?

Age 8+ Players 2-6

## Race the Rails!

G9025 | Tony Boydell

It's a race across the city, home is calling! You'll need to carefully follow the route and make each connection in order to stay on track. With challenges along the way, will you be able to make it home with enough cash in your pocket to win?

Age **5+**    Players **2-6**

**Honeycombs™**  
G9021

Age **6+**    Players **1-8**

**221B Baker Street**  
G778 | Jay Moriarty

The game is afoot! Set in the world of fiction's most renowned detective, Sherlock Holmes, you'll race to solve one of 75 original mysteries. There's nothing like a bloodcurdling murder to titillate the mind on a cold winter's night!

Age **10+**    Players **2-6**

**Sherlock Holmes**  
G9012

Have you got what it takes to hunt down Moriarty? Step into Sherlock's shoes and play your cards right to seek the villain. If you're the notorious villain, can you fool your opponents and remain undetected? Contains illustrations from the original Sherlock Holmes book.

Age **10+**    Players **3-8**

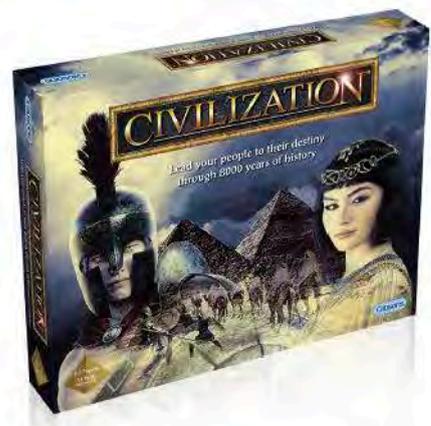

**Hare & Tortoise**  
G979

Age **8+**  
Players **2-6**

The first ever winner of the Spiel des Jahres Award in 1979, you'll use your fuel (carrots) to get you home. The quicker you move, the more carrots you use. So you must decide...will you race to the finish or take a slow and steady pace?

**Civilization**  
G984 | Francis Tresham

Age **12+**  
Players **2-7**

In the Ancient World of 8000 BC, you'll each control a different nation. Although battles and territorial strategy are important, you'll need to think about cultural, economic, and political growth. Will you lead your nation to become the most powerful and advanced civilisation on the board?

**Kingmaker**  
G9029 | Mat Edwards

**Funded in under 24 hours on Kickstarter!**

Age **12+**  
Players **1-6**

The return of Kingmaker is here! Immerse yourself in the rich and volatile world of 15th Century warfare and strategy. You'll play as a faction vying for political and military power to control the board and win the game. The royal relaunch contains four modes of play.
