BECKFORD'S[®]

Introduction

Beckford's are one of the UK's most innovative blenders within the category of flavoured Rum.

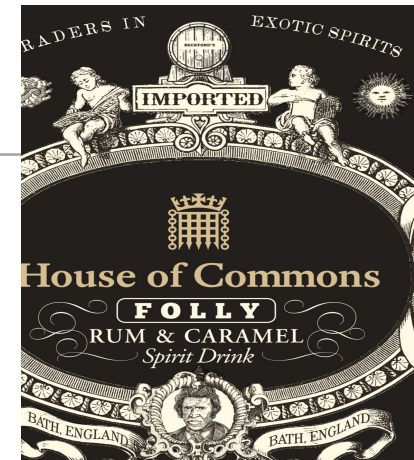

Established in 2019 the company now sells over 250,000 bottles a year in the UK directly to the consumer and via some of the most prestigious outlets such as all the Historic Royal Palaces, Stately Homes, Farm Shops, the Thames Clipper boats, House of Parliament, Hotels, Cocktails Bars etc. !

The winner of 9 important trade awards the Beckford's range includes Rum blended with fresh caramel, coconut and 3 different variations of spiced Rums at 25% ABV, 40% ABV and even cask strength at 65% ABV.

Blending is an exact science and requires the sourcing of the very best ingredients, time spent in the

Blending tanks and trialling the products to focus groups before bringing them to market.

Flavoured Rums is one of the fastest growing categories in the spirits World and is helping to drive the most amazing innovations in cocktail making both in cocktail bars throughout the UK and in the home as consumers have never had access to such complex and balanced flavour combinations. Beckford's are at the forefront of this drink's revolution!
