Welcome to Greenwood & Grove™ Outdoor Cushion Collection!

More and more customers are looking to extend the comfort and style of their homes into the outdoors. The Greenwood & Grove™ Outdoor Cushion Collection helps retailers meet the demand with designs that are beautiful, durable, and versatile enough for both outdoor and indoor spaces.

Building on the heritage of Hines of Oxford, the collection carries forward our woven tradition with the same care and attention to detail, extending the Hines story from the heart of the home into the outdoors.

Woven in Europe and finished in England, each cushion combines vibrant design with enduring performance. A specialist Teflon finish ensures the fabric is shower proof, stain repellent, sun resistant, and mould resistant—helping cushions stay inviting season after season.

We look forward to another successful year of bringing beauty, comfort, and the character of nature into homes and outdoor spaces alike.

Greenwood & Grove™ – Inspired by Nature, Woven for Living
