CATALOGUE 2024

explore discover learn enjoy

Welcome to Brainstorm! For 29 years our toys have been inspiring children to develop an understanding of the natural world, a fascination with science and creativity, and a love of outdoor adventures! 

We continue our journey towards eliminating single-use plastic packaging from our product range. Alongside this we have set a net-zero ambition. 

This trade catalogue is packed with fascinating products, so make sure you look out for the  symbol that highlights our **new items**.

- We have added items to our best-selling Brainstorm Toys and The Original Glowstars Company brands.
- Bigger and better improvements to our ever-popular torch collection.
- We are pleased to further expand our Eugy range of eco-friendly, super-cute collectables.
- Check out our new ranges of craft lines, Water Art and Create N Colour - be amazed by these activity sets with a twist!
- In a busy world, find a moment of calm with our new Sensory range - perfect fidget toys for all ages.

Lines that have a specific **Consumer Media Plan** are highlighted by this  symbol.

Visit our website www.brainstormltd.co.uk for news, extended product content, additional images and information on where to find us at trade events. **You can also order online.**

CREATE N COLOUR

Construct your own cute 3D models with an added wow factor. Build the FSC certified wood model then paint with water using the refillable water brush provided. Sit back and watch the colourful design magically appear. Let it dry and paint again and again. Keep painting with water to reveal the designs to amaze friends and family. There are six initial designs available to collect, create and colour, supplied in a CDU of 12 with two assorted styles in each.
