**educate. inspire. connect.**

The average person spends around 390 hours supervising bath-time by the time their child turns six. Why not use this time to educate, inspire and connect with Learning bubble!

**SEVEN AND SIX GIFTS**

The gift set contains a unique waterproof blackboard game with bath crayons to facilitate open-ended play. Encourage fine-motor skills while children practice writing numbers, letters, shapes and basic problem solving with brightly coloured flashcards to provide inspiration and education for your child. Complete with 3 fun bathing goodies including a themed bath bomb, bath confetti and our unique bubble powder to make this a Learning party for your child.

This gift set has been carefully designed by parents with children at the heart of every detail. The learning materials have been approved by early years teachers to provide assurance that they are age appropriate and engaging.

**Bath Maths Code: LB01**  
**Wholesale: £8 RRP: £18**

Give children the gift of education and connection as you step into a bubbly world of fun and teaching. Shortlisted for Gift of the Year 2024 our innovative Learning Bubble gift range is brand new to the market.

# MINDFUL magic

self care. self reflect. self regulate.

All feelings are perfectly normal. Mental well-being is as important as physical health. Our Mindful Magic range teaches open dialogue and self-regulation from a young age at key times such as bathtime, schooltime, bedtime and playtime.

SEVEN AND SIX GIFTS

Each gift set contains playfully designed tools to facilitate open-ended self-expression along with brightly coloured flashcards to provide inspiration and talking points for your child to facilitate open-dialogue and self-reflection.

The gift sets have been carefully designed by parents with children at the heart of every detail. Teach practical skills to help children to self-regulate and manage their emotions from a young age to give them skills that will stay with them into adulthood.
