2025 Catalogue

Thank you for your interest in our cards.

Silver Birch Cards is a greeting card publisher based in Mid Wales. We supply a range of quality blank greeting cards to the retail trade.

Our customers include art galleries, book shops, visitor centres and museums. We also have a strong network of independent shops looking for something different.

The artwork featured on our cards is taken from original artwork including prints such as linocuts, woodcuts or colographs. We are always looking to expand our range with interesting new designs.

We do not use any plastic in our packaging and products. All our cards are secured with paper bands making our cards and packaging 100% paper based.

All orders are dispatched quickly. There is no charge for delivery and no minimum order. Invoices are payable within 30 days.

If you have any questions, or require samples, please contact us. We would be pleased to supply you with our cards.
