AUTUMN 2024

Welcome

Autumn brings with it ever-changing scenery, from crisp sunrises glistening with frost on fallen leaves to golden-hour glows casting serene reflections in post-storm puddles. As natural light dwindles, fresh finds in homeware, fireside, and bootroom collections offer warmth and comfort as soon as you step over the threshold. Launched to mark our 30th anniversary, our brand-new range of Bayur wood furniture promises to bring country kitchen dreams to life.

This year's Christmas Collection features everything you need to create joyful living spaces and host stylish celebrations. Delve into our sackful of decorative touches to discover a wealth of gloriously cohesive colourways, along with new additions in plush fabrics. We hope you enjoy exploring them.
