Zoë Rose

Painting woodland wildlife, whimsical cottage flowers, celestial night skies, whippets & a sprinkle of magic

I invite you to step into my world. Nestled in the heart of the Wiltshire countryside. Surrounded by mystical woodlands and the ancient chalky hills of the historic Pewsey Vale. Tucked away in an old witches cottage, you can find me with my paint brush in hand and my whippets by my side. My creativity spans both ink & acrylic, creating enchanting fairytale scenes filled with magical animals, whimsical flowers, and celestial skies.

Best Wishes,

Zoë
