ABOUT ELEMENTS

Experience the ultimate in luxury with Elements of Fragrance's collection of high-end home fragrances and gift-worthy candles.

Indulge in beloved brands like Haribo, Minions, and Peanuts, while delighting in exquisite scents from Purple River and elegant designs from Frida Kahlo. Enhance your space with our exclusive brand, Elements of Home, offering a diverse range of products from high-end luxury to everyday signature scents.

We pride ourselves on the family atmosphere in our distribution and manufacturing facility near the Peak District UK, where we lovingly formulate, craft and package home fragrances with high quality oils and premium waxes. Elements of Home are committed to providing our customers with a first class experience. Our helpful and knowledgeable team are looking forward to assisting you.

HOW DO I GET STARTED?

STEP 1

Get in touch with our friendly team

We're here to help you build your business & to answer your questions. Simply get in touch & we'll send you an introductory email & a Whatsapp, then a member of our team will call you to get you started.

STEP 2

Create your brand with our design expert

Simply send us your logo (if you don't have one, we can make one for you) & any styles, colours or fonts that you'd like us to use in your brand. Then, we'll create some visuals for you.

STEP 3

Choose & name your products

We will send you an order form so that you can select the products for your first order. Create a name for each scent, purchase your products, then your order is ready to be manufactured!

STEP 4 Grow together! We're here for you & your business, every step of the way
