HELLO

Thanks so much for checking out Incredible Socks.

When I was growing up, giving socks as gifts for birthdays, Christmas, and special occasions such as Father's Day was big business in my house. The more socks that were handed over the more I thought; 'how can I do this and do it better'?. I wanted to create Ireland's sustainable answer to the popular fun sock brands and put a purpose behind it all.

A huge part of my founding of Incredible Socks was to have the opportunity to give back and help others - like The Bombay Teen Challenge, Jigsaw and Focus Ireland. Without this vision and mission, the company would simply not exist. I wanted to start something that matters. Something that, yes of course, gives my customers an 'incredible' product they will love but also something that gives us (me, my employees, partners, and customers) the opportunity to give back and help other humans and the planet. I always wanted to start a company with a heart. A company that really values 'giving back'.

For me Incredible Socks is not just about fun, colourful and incredibly comfortable socks - it's about the people who buy and wear them, and the passion we all have for helping others and helping our planet together.

I could talk for hours about Incredible Socks - I won't, but if you do fancy grabbing a coffee and a chat I'd love to!

Thank you,

Marc Carey

ABOUT US

CRAFTING EXTRAORDINARY SOCKS FOR EVERY STEP

We're driven by a passion for creating socks that go beyond the ordinary. Our journey began with a simple belief: socks should be more than just a functional necessity—they should be a reflection of your unique style and personality. With this vision in mind, we set out to design and produce the most incredible socks your customers will ever wear.

WHERE CREATIVITY & COMFORT CONVERGE

By carefully selecting premium materials we infuse our socks with a unique blend of softness, durability, and eco-friendliness. Our natural bamboo fabric not only cocoons your feet in luxurious comfort but also offers natural odor-fighting properties.

LIVE INCREDIBLE

MORE THAN JUST A PAIR OF SOCKS

It's a colourful world of fun socks that benefit your well-being.

Personality and Self-Expression

While the rest of your attire may conform to societal expectations, fun and colourful Incredible Socks offer a canvas for unapologetic self-expression. Whether it's our bold patterns, vibrant hues, or quirky designs, these socks allow you to showcase your personality and inject a dose of fun into your everyday look.

Mood Boosting Magic

It's no secret that colours have a profound impact on our emotions. Fun and colourful Incredible Socks possess the power to evoke positive feelings and uplift your mood, even during the most mundane tasks.

Conversation Starters and Connection

Incredible Socks have a knack for sparking conversations and forging connections. When you wear a pair that reflects your interests, hobbies, or favourite pop culture references, it becomes an open invitation for like-minded individuals to strike up a conversation.

DO INCREDIBLE

MAKING AN IMPACT

We are driven by a commitment to make a positive impact on both the planet and the lives of others. As a carbon-neutral business, we take responsibility for our footprint by actively working to offset our carbon output. Our dedication to meaningful change doesn't stop there.

With every purchase, you become a part of our mission to support remarkable charitable organizations. Together, we strive to empower communities and uplift lives. Your choice to wear Incredible Socks goes beyond fashion—it becomes a statement of solidarity and a catalyst for incredible transformation.

We donate

OUR CHARITY PARTNERS

Mental health can affect every aspect of a young person's life. Jigsaw believe every young person must have the support that's right for them, whatever they are going through. We partner with Jigsaw to make sure that every young person's mental health is valued and supported.

Focus Ireland work tirelessly with Ireland's homeless communities and believe everyone has the right to a place they call home. We work with Focus Ireland through monetary and product donations in a bid to best support their valuable work.

The Bombay Teen Challenge exists to restore hope and dignity to victims of sex trafficking by rehabilitation and empowering them with sustainable opportunities through education and vocational training. We partner with The Bombay Teen Challenge to help them on their mission to end sex slavery and child trafficking in some of the poorest areas of India.

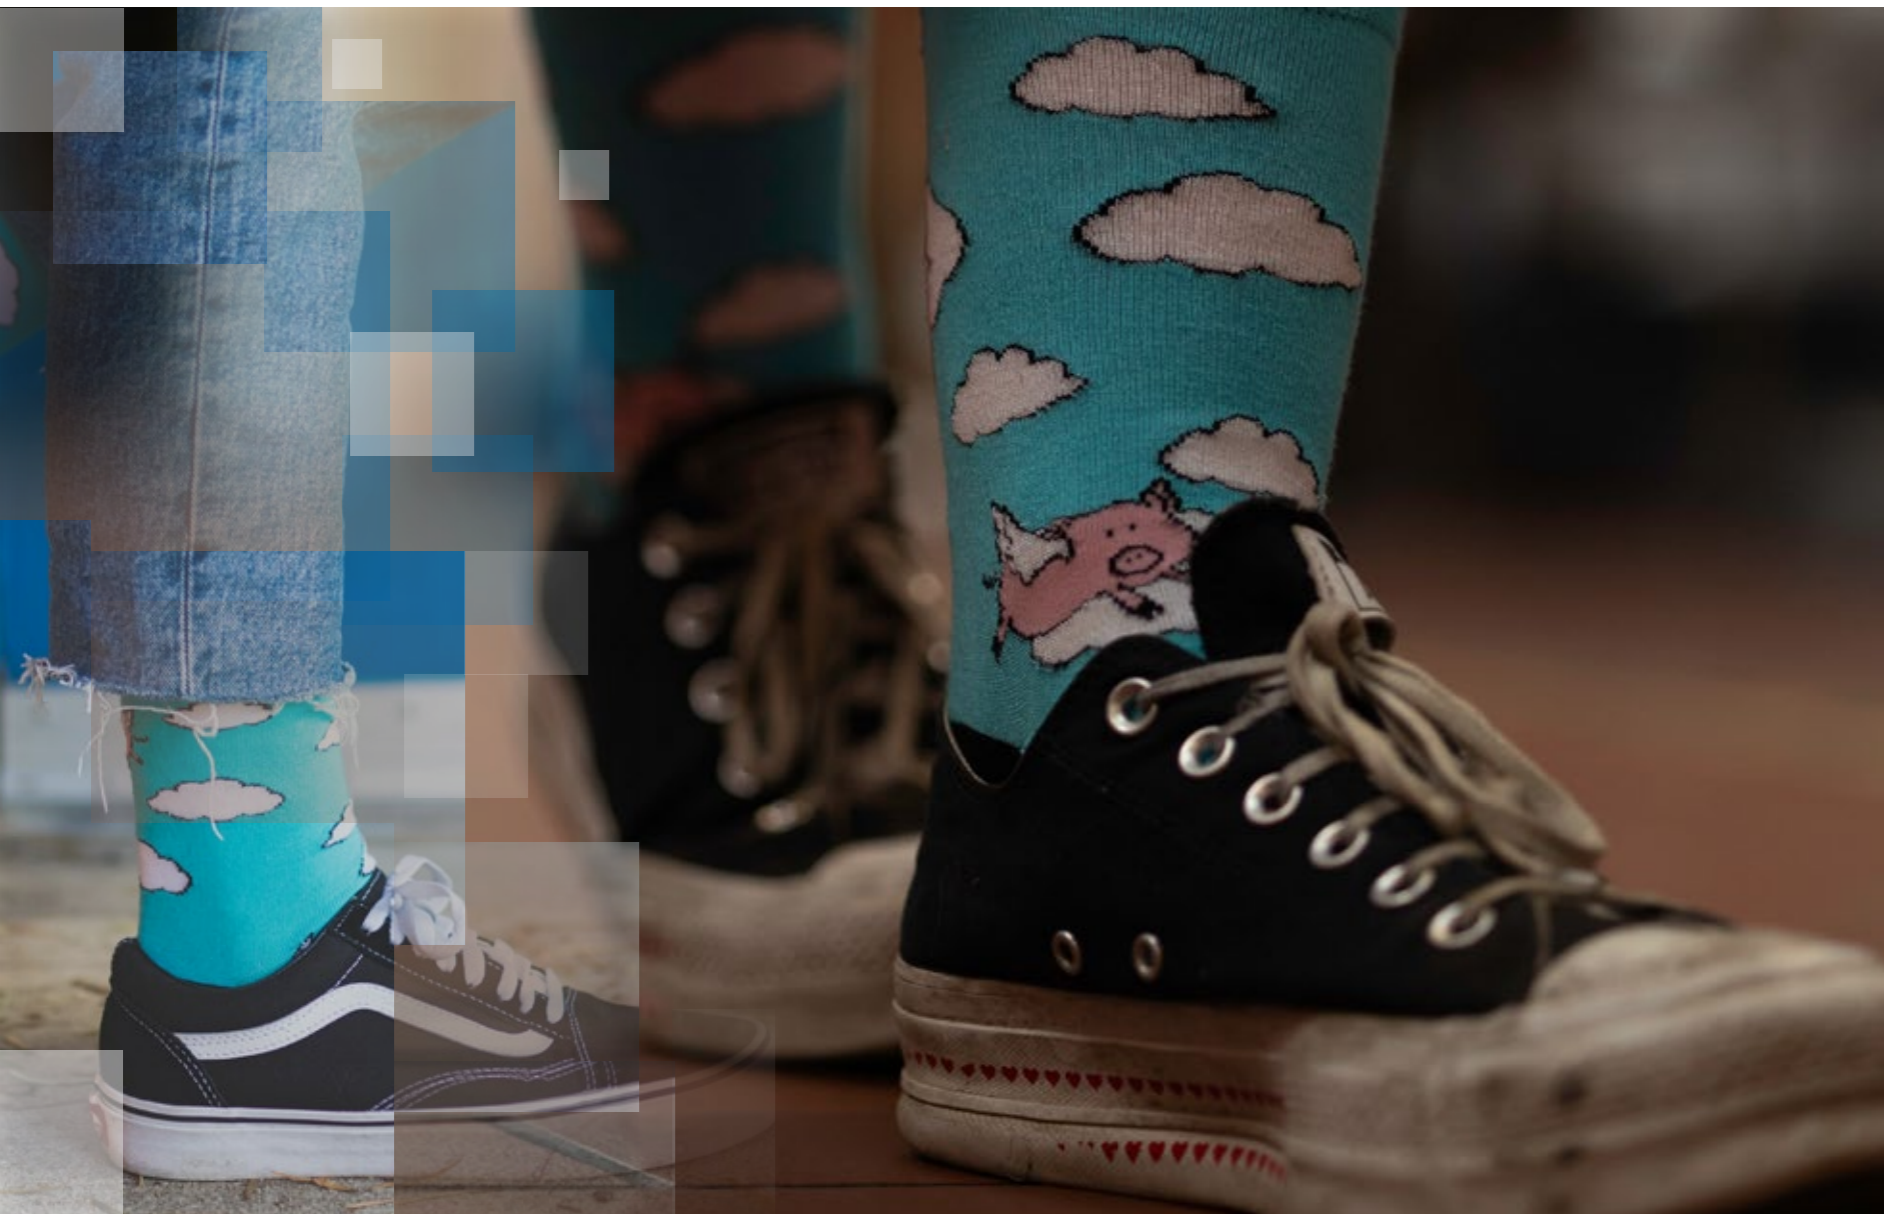

OUR SOCKS

THE BENEFITS OF BAMBOO

Incredible Socks are made of sustainable bamboo materials. Bamboo is an incredibly renewable and versatile crop. Although it's tough like wood, it's actually a type of grass and some species can grow by over a metre a day. The crop requires very little water and doesn't need to be sprayed with pesticides or fertilisers to grow.

Still not convinced that bamboo isn't the next big thing? Here are some of the reasons why you may choose bamboo socks over our conventional counterparts:

- 👉 **Antibacterial** – keeps you odor free and feeling and smelling fresh
- 👉 **Highly sweat absorbent** (Pulls moisture from skin for evaporation – moisture wicking) – keeps you dry
- 👉 **Powerfully insulating** – keeps you cooler in summer and warmer in winter
- 👉 **One of the softest fabrics on the planet** – you'll love the way it feels
- 👉 **Naturally UV protectant** – protect yourself from skin cancer
- 👉 **Hypoallergenic** – natural bamboo does not cause allergic reactions
- 👉 **Most eco-friendly fabric on the planet** – help save your planet

Incredible Socks specialise in, yep you guessed it, incredible socks. However, what really sets them apart from the competition is their commitment to giving back – 50c from every sale goes to one of their charity partners so supporting them means you can both look and feel good.
