Indoor Outdoor Rugs

Our Indoor-Outdoor Rugs are designed to combine style, practicality, and lasting quality. Woven in India from durable materials, they resist water and UV fading, ensuring their colour and texture endure season after season. The polypropylene range is made from tightly woven, low-pile fibres that are non-toxic, mould, and mildew resistant, ideal for outdoor use and easy cleaning.

The PET Yarn collection, crafted from recycled plastics spun into fine polyester threads, offers a soft, textured finish that mimics the look of natural fibres such as wool or sisal. These versatile rugs bring indoor comfort and design sensibility to outdoor living.
