Mill Invisible WiFi panel heater 600W

# mill radiators

5  
YEAR  
WARRANTY

Mill is a Norwegian company designing smart heating and air quality products with cutting edge technology.

**Mill Invisible Panel Heaters**

Panel heaters provide a comfortable ambient temperature and is safe to use without supervision.

**Mill Convector Heaters**

Smart heaters with advanced app control and heaters with traditional thermostats like electronical and mechanical.

**Mill Oil-filled Radiator**

Gentle heat source that neither burns dust nor dries out the indoor air heating the room much faster than traditional oil-filled radiators.
