# ROCKER COLLECTION

Rocker is a modern design with a range of fresh contemporary colours in a wide variety of products.

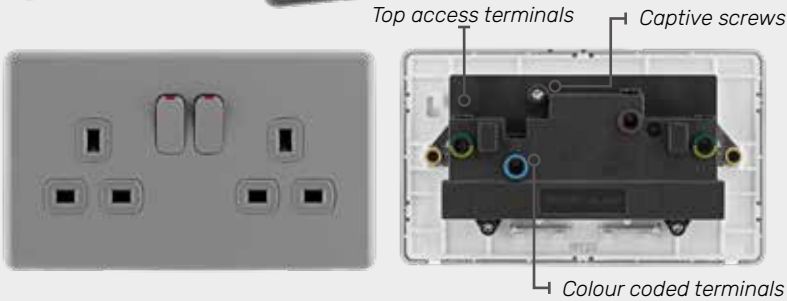

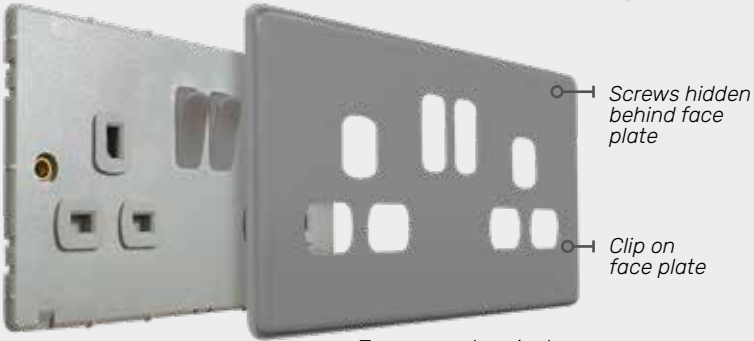

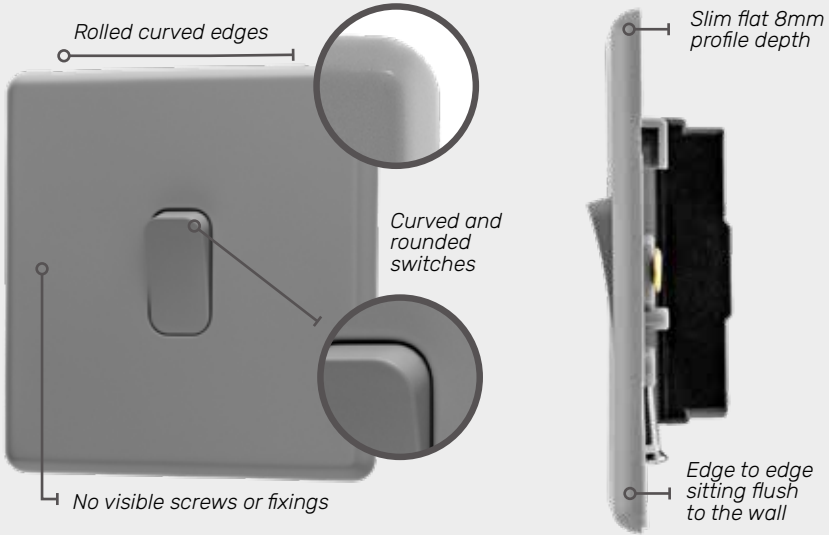

A clever front plate that sits flush to the wall removes any visibility of the screws or fixings.

Arlec Rocker available in six finishes:

# Rocker Key Features

# Electrical - Switches & Sockets

## Features

- Sits beautifully flush to the wall with no visible screws or fixings
- Sleek and slim profile 8mm depth
- Removable face plate for easy decorating
- Trailing edge universal dimmers suitable for LED, halogen and CFL
- Funnel entry colour coded terminals
- Top access terminals
- Sockets fit a 25mm back box

Rocker - Charcoal Grey
