OUR BRITISH MAKERS STORY

We're truly delighted to share the care and artistry that went into creating the Natural by Hillbrush brush collection.

Imagine over a century of knowledge in wooden brush making, with skills passed down through generations, all rooted in a deep commitment to bringing you high-end products.

Every piece is a genuine creation, a labour of love from our talented team in the heart of South West England. We hope you can feel the warmth and history woven into each and every item.

KITCHEN

Explore our UK-crafted kitchen essentials: washing-up and vegetable cleaning brushes fashioned from ethically sourced beech and natural fibres. Choose either from our dishes, pots and pan cleaning range or opt for our vegetable brushes, designed for gentle cleaning and preserving nutrient-rich skins. Embrace eco-conscious living with British craftsmanship, adding efficiency and sophistication to your kitchen interiors styling or as a beautiful gift.

Indulge in Hillbrush's natural washing brushes, proudly crafted in the UK from ethically sourced beechwood and natural fibres.

PRODUCT DESCRIPTION

Beautifully designed, this sustainable Wide-Tooth Comb suits all hair types, minimising breakage with a round surface that promotes smoothness. Compared to standard combs, it significantly reduces breakage, gliding effortlessly through hair. Regulating sebum for a non-greasy look and combating static, it's perfect for professional and home use, enhancing hair care routines for smooth, well-tamed hair.

SIZE 42mm (H) 7mm (W) 176mm (L)

MATERIAL Beechwood

Wide-Tooth Handled Comb

CODE

HBN120

PRODUCT DESCRIPTION

Ideal for medium to thick hair, this handled comb offers a comfortable grip for taming unruly locks or styling with finesse. Its wide teeth effortlessly detangle, minimising breakage. Comparing it to standard combs, its top-quality round surface avoids hair snags, significantly reducing damage. Additionally, it regulates sebum for a non-greasy appearance and combats static, ensuring sleek, well-tamed hair.

SIZE 42mm (H) 7mm (W) 200mm (L)

MATERIAL Beechwood

Family Comb

CODE

HBN122

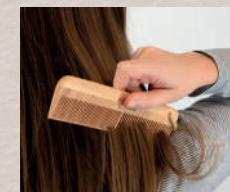

PRODUCT DESCRIPTION

Our all-purpose sustainable Family Comb, created from untreated beechwood, features both thin and thick teeth, accommodating all hair lengths. Suitable for fine, straight, or medium thick hair, this comb effortlessly glides through, offering a versatile and effective solution for all your family's hair care needs.

SIZE 42mm (H) 7mm (W) 177mm (L)

THE FUTURE IN OUR HANDS.

Sustainability is at the heart of our mission. Committed to creating a cleaner and more sustainable world, we meticulously design our products with materials that minimise raw material consumption. We use natural fibres harvested from indigenous trees, contributing to local economies and supporting traditional farming practices.

To reduce our environmental footprint, our solar energy system, installed in 2017, covers over 8,500m², generating 680,000kWh and supplying over 75% of our electricity with a zero-carbon footprint. Our dedication to recycling has led to an 84.9% increase in recycled materials since 2016, earning us the Perrys Certificate of Environmental Achievement.

With FSC™ certification and adherence to forest management standards, our wood is responsibly sourced.

We don't just produce quality products; we strive to make a positive impact on the environment and society by conserving resources, reducing waste, and creating sustainable solutions.
