

SPRING/SUMMER S25

Fulton Umbrellas is proud to be the largest supplier of quality umbrellas and rainwear in the United Kingdom today.

We are the real specialists when it comes to umbrellas and we passionately strive to push the boundaries of development in dealing with the inclement British weather.

Quality is the cornerstone of our success and we use only the highest specification materials and exacting engineering standards before beautifully hand finishing every product.

Our aim is to “brighten up your day” offering you a wide range of rain protection products to suit your specific requirements. We strive to blend fun and fashionable designs with quality materials and workmanship so you can enjoy your Fulton product time after time, confident in the knowledge that it has been designed to last.
