Bespoke Made-to-Order

Ashwood are renowned for offering a bespoke brand-tailored service in quality leather goods. In addition to our masterfully crafted collection we can tweak, rebrand or incorporate alterations to styles in order to fulfil client requirements where necessary. Further still, we work closely with clients to formalise design, where the client can select from an extensive selection of leathers, hardware, zips, linings and finishings, integrating their own brand as required.

Quality & Service

Our commitment is to supply our customers with the highest quality products at the most reasonable prices.

All our products are made using high quality materials by trained craftsmen in factories, which adhere to Sedex standards for social and ethical compliance.

Ashwood offer a 12-month repair warranty service for faults caused by defective workmanship or material. The warranty does not cover damage due to wear and tear or misuse.

We also offer an out-of-warranty, repair and replacement part service at a competitive rate.

Design

Here at Ashwood, the R&D team invests an extensive amount of time and resources to develop and improve our products and design. Seeking inspiration by scouring the world we endeavour, in partnership with our tanneries and factories, to incorporate classic shapes with quality and modern usage, in order to maintain the spirit whilst encompassing the necessities of the future.

Orders & Sales

Our skilled and professional sales team can offer assistance and advice regarding product knowledge and sales trends, to ensure you purchase the products which best fit your business requirements.

Alternatively, one of our representatives can visit you.

You're welcome to call our sales team anytime, between 9am till 5pm, Mondays to Fridays on: **0121 359 7575**

Stocks & Delivery

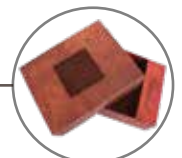

At Ashwood, we endeavour to provide excellent customer service, to ensure we meet our customers' expectations. Any orders placed before 4pm Monday to Friday will be dispatched on a Next Day delivery service via UPS. We have a great stock replenishment system; however, should any item be out of stock, the order will be held and delivered upon first availability.

All of our items are packaged securely and come with dust covers. Large items like holdalls are pre-stuffed and individually boxed. This enables our products to arrive with our customers, ready to be displayed immediately.

Gift Boxes

All of our wallets are presented in a branded individual gift box.
