NEW FOR 2024 COMPOSTABLE CANDY BAGS

- Eco-friendly Compostable Gusseted Bags made from 30 micron crystal clear NatureFlex™ which is a 100% home compostable film made from cellulose, derived from sustainable wood pulp.
- An environmentally friendly choice.
- 100% Compostable film
- 30 micron NatureFlex™

NATURAL CANDY JARS

- Made using 100% renewable green energy.
- Made with 30% food grade recycled plastic – taking recycled material out of the environment and re-using it = less plastic going into landfill.
- rPET requires 79% less energy to produce than Virgin PET reducing greenhouse gas emissions by 71%.
- PET is the most recycled plastic worldwide.
- Lightweight – 10% of the weight of the equivalent glass packaging meaning it is incredibly efficient to transport therefore lowering carbon emissions.

BEAMISH LICENSED CANDY JAR RANGE

**Your chance to taste a bit of real British history at home
– Inspired by Beamish, The Living Museum of the North.**

Original Candy Co are excited to collaborate with Beamish Museum, to create an exciting range of confectionery – inspired by classic British tastes and real-life stories and traditions from the past.

Our gift jars are packed to the brim with flavours that would have been enjoyed on traditional Edwardian cobbled streets. Featuring Pear Drops, Rosie Apples, Rhubarb & Custards and Old Fashioned Kola Cubes – these classic sweet shop flavours will delight as a nostalgic treat or gift.

Even better, every purchase supports Beamish Museum, a charity that preserves heritage for future generations, while also supporting today's communities. This includes through award-winning health and wellbeing work with people living with dementia and other long-term conditions, and education work.

CANDY JARS AVAILABLE IN KOLA CUBES, PEAR DROPS, ROSIE APPLES, RHUBARB AND CUSTARD AND CHRISTMAS MINT HUMBUGS

*Product is made by Original Candy Company in the UK under licence from Beamish Museum.
Beamish is the registered trade mark of Beamish Museum.*
