

The image is a product advertisement for Selbrae House. It features three ceramic mugs with blue and white patterns, including floral and vertical stripes. The mugs are placed on a wooden tray. In the background, there are two wooden cutting boards, one with a dark, abstract pattern. The text 'Selbrae HOUSE' is written in a white, elegant script and sans-serif font. Below it, 'MEANINGFULLY MADE' and '2025' are written in a smaller, white, sans-serif font. The overall aesthetic is rustic and handcrafted.

# SLATE COASTERS

Our single coaster product offering is a must-have for both customers and retailers. Customers will love the convenience of a small pick-up souvenir or gift that they can take with them on-the-go. With the ability to mix and match designs and the added convenience of a display box, this product is sure to be a hit. These display boxes allow for ease of storing and displaying in-store, and there is great potential for increased sales through offering a wider variety of designs.
