## How it works.

1. scan the qr code to redeem your spawn
2. fresh spawn sent free of charge with next-day delivery
3. happy growing!

### Perfect for Gifting

An ideal gift for all occasions as they can be purchased in advance with no need for immediate use

### Extended Shelf Life

Shelf-stable kits reduce spoilage risks and extend stock time

### On-Demand Freshness

Voucher included for customers to redeem fresh spawn free of charge

### Educational

Urban Farm-It offers a unique introduction to the mushroom cultivation process, providing a 'start-to-finish' experience

Watch our user-friendly 'how to' videos here!
