## *Our Story*

Emily Smith is a British brand that launched in 2018. Emily is an artist and designer based in Devon. Her venture began with a painting she created for her son's bedroom. Stepping out of her comfort zone, she expanded her artistic endeavours beyond simple canvases to pursue and grow her love for art and colour. Emily's main focus is to live life to the fullest and enjoy what she loves doing the most: creating.

She has now curated a collection of luxury homewares and accessories designed to bring a smile to people's faces. Each of Emily's designs is infused with character and charm, inspired by the imaginations of her children, William and Livy, and by the beautiful countryside in which she lives.

# GIN IN A TIN™

THE UNITED COLOURS OF JUNIPER  
*Gins of Distinction that Speak Volumes*

Inside our Camilla tin is Emily's favourite tittle: best selling blend Gin No.2.

We love Gin No.2 with its distinctive notes of lemon peel, coriander, cardamom, and many more botanicals centred around juniper berries to create the ultimate refreshing taste.

Using classic dry botanicals, this is a straight forward no-nonsense gin. Perfect for a martini or G&T.

- **Tasting Notes** - A smooth crisp gin with juniper at the forefront, citrus notes of lemon and orange, finished with subtle notes of cardamom.
- **Serving Suggestion** - Serve over ice with tonic and garnish with pink grapefruit. Alternatively mix up as a martini.
- **Allergen Advice** - May contain wheat
- **British Made**
