# CHRISTMAS CATERING

RSW International Ltd have become synonymous with Christmas and have helped bring dinner parties to life with exquisite crackers for over 35 years. Originally hand crafted and hand finished here in the U.K, demand for our crackers required us to move our production to the Far East and we now enjoy global distribution whilst continuing to offer the same quality hand finished product our customers have come to expect from us.

Product and content are 100% recyclable and plastic free
