La Suzy is at the forefront of sustainable menstrual care.

Join us in empowering women and protecting the planet.

La Suzy

La Suzy

REUSABLE PERIOD BED MAT

Hassle-free Sleep. Period.

At La Suzy, our reusable period bed mats are a ground-breaking addition to menstrual care, designed to provide unparalleled comfort, convenience, and sustainability—a revolutionary product that meets the needs of modern women while caring for the planet.

WHY PARTNER WITH US

1. High Demand for Sustainable Products

- Consumers are increasingly prioritizing eco-friendly alternatives. La Suzy aligns perfectly with this growing market trend.

2. Innovative Product Offering

- A unique solution for menstrual care that complements other wellness and hygiene products.

3. Proven Market Potential

- Targeted for menstruating women who have shown a clear demand for practical bed protection.

4. Social Impact

- By supporting La Suzy, you join the fight against period poverty. We provide free webinars for young girls and work with organisations to support underserved communities.

PRODUCT HIGHLIGHTS

- **Eco-Friendly:** Reusable for up to 200 washes reducing washing and waste
- **Highly Absorbent:** Keeps beds and surfaces dry and comfortable
- **Premium cotton top layer:** Natural top layer comfort with super-absorbent layers
- **Travel:** Perfect for travel or home use with a travel bag included
- **Easy to Use:** Machine washable and quick-drying
- **Stylish Design:** Available in a stylish design to create a feeling of comfort and care

ADDRESSING PERIOD POVERTY

SMALL BRAND. BIG MISSION

At La Suzy, we believe every woman deserves dignity during her period.

A portion of our profits will support initiatives to combat period poverty and provide products and education to those in need.

Together we can make sustainable menstrual care accessible to all.
