Welcome to Greenwood & Grove™ from Hines of Oxford!

A year on from its launch, Greenwood & Grove™ has quickly found a place in homes across the UK and beyond. What began as a new chapter for Hines of Oxford is now a trusted brand in its own right—valued for its blend of thoughtful design, lasting quality, and everyday accessibility. Leading retail brands are turning to Greenwood & Grove™ to make their collections feel more special, enriched by the craftsmanship and authenticity of being made in Britain.

For over forty years, Hines of Oxford has helped retailers offer home accessories that delight their customers with quality, craftsmanship, and thoughtful design. Greenwood & Grove™ builds on this experience, providing versatile, welcoming cushions that help your customers bring the beauty of nature indoors, creating interiors that feel individual, warm, and inviting.

Each Greenwood & Grove™ piece is loom-woven in Europe and finished in England, carrying forward our commitment to detail and craftsmanship. The result is a range of cushions that bring warmth, individuality, and the charm of the outdoors into every interior.

This season, we are also delighted to introduce the ***Greenwood & Grove™ Outdoor Cushion Collection***—designed with the same spirit of comfort and creativity, reimagined for outdoor living. Presented in a dedicated brochure, this new range extends our story from the heart of the home into the garden.

Thank you for your continued partnership. We look forward to another successful year of bringing beauty, comfort, and the character of nature into homes and outdoor spaces alike.

Greenwood & Grove™ – Inspired by Nature, Woven for Living

Warm regards
