# B Corp Certified

Good Tuesday is BCorp Certified and a Living Wage employer. We are committed to using business as a force for good.

All products carry the BCorp Logo.

As of October 2023, B Corp brand awareness in the UK stood at 38%, 36% in the U.S. and 35% of Canadian adults. With young people leading the charge.

High awareness amongst Millennials and Gen Z is critical, as these consumers are most likely to use their values to shape their purchase behavior, according to a recent study from McKinsey and NielsenIQ.

# Trend Led Design

The team is at the forefront of design. Good Tuesday products have been featured in WGSN and other trend reports on multiple occasions.

We are forward thinking. We take inspiration from Fashion & Interior Design.
