

POWDER

Welcome to
Paradiso

Our SS25 collection will transport you straight to the exotic. Florals and fauna in tropical colours will remind you of the sweet scent of a summer yet to be spent surrounded by beaches and blooms.

Get ready for the joy of bright, warm mornings and long summer nights!

Powder has always put its retailers first, and we are continuing to work behind the scenes to improve your experience and orders every season. We love working with you all and exploring your desires when it comes to our collection! Every year we take on board feedback from our loyal retailers and put this into practice, we hope it shows!

Meet the
Designer

It has been another busy season for us at Powder! For me, this Spring/Summer collection is like no other we have done before, and the design aesthetic feels really sophisticated whilst retaining that playfulness that is so important to the Powder family.

My love for exotic glamour really formed part of the story this season, and I hope you love these goodies as much as I do!
