BATH & BODY

Xystos

Born from cherished memories of Italy, *Di Palomo* captures the essence of Tuscan summers, sun-drenched orange groves, the tranquil shade of cypress trees and the rustic charm of hilltop farmhouses. Inspired by a moment shared among friends over a bottle of Verdicchio on a perfect Devon afternoon, our fragrance bath & body collections bring the warmth and romance of Italy to life.

Crafted with the finest ingredients and designed in the UK, each Di Palomo product reflects our dedication to quality, style and sensory indulgence. From invigorating morning mists to the rich scent of vineyards at dusk, our exquisite fragrances and elegant packaging transport you to the heart of Tuscany. When you can't be there in person, *Di Palomo* is the next best thing.

Owners Pick

Bubble baths can leave your skin too dry. Bath oils can feel too greasy. Bath Honey is just right.
It gives you the nourishing feel of a bath oil without the slick finish and the soothing bubbles you'd expect from a traditional soak. Your skin comes out soft, hydrated and never sticky or dry.
