ULTRASONIC DIFFUSERS

Cello Ultrasonic Diffusers combine artistry with advanced aromatherapy. Using ultrasonic technology, it silently transforms water and essential oils into a fine, fragrant mist, preserving the oils' therapeutic benefits while gently humidifying the air. Perfect for home or spa use, our diffusers offer whisper-quiet operation, customisable LED lighting, and a generous runtime for continuous relaxation.

Convection Spinner Candles

A captivating dance of light and motion. Cello Convection Spinner Candles transform any space into a haven of tranquillity. The gentle flicker of flame gives way to an elegant, spinning ballet. As warmth rises, the spinner begins its silent rotation, casting delicate shadows that ripple across walls and surfaces in a mesmerising display of quiet energy.

Candles also available individually without convection spinner.
