

2026 LOOKBOOK

Raffia Tote Bags, Summer Hats and French Shopping Baskets

BasketBasket are suppliers of handmade ethically produced woven baskets, bags, handbags, sun hats and household items.

Everything is made with natural, sustainable materials by talented artisans, ensuring these ancient skills provide a regular income.

They are eco-friendly and stylish for everyday living.

Chic and Unique

Madagascan Artisans

Using 100% raffia from sustainable native palm trees. Making crochet bags and hats. A weaver on a hand loom creates panels of raffia to be made into bags and hats.

Moroccan Artisans

Using 100% palm leaves from native plants. Plaiting strips with the leaves and then sewing the strips together to make up the basket sides, finishing with a slight dip on one side.
