Custom Products

Tartan Coasters & Hanging Decorations

In the past 5 years, we have created over 200 custom designed coasters. This could be something as simple as adding a town/region name to an existing product making it specific to your area. Or something entirely new that could feature a local landmark or regional phrase.

Many designs can also be created as both a hanger & a coaster that features the same centrepiece, giving customers the choice of which style they prefer.

If you are interested in creating a custom design then please get in touch: Sales@LTCreations.co.uk
With no design fees and very low pack sizes.

Lucky Sixpences

Whether it's for a special occasion or a design specific to your area, our lucky sixpences offer an excellent gift for all of life's moments.
