PATCHWORK

Patchwork products are made of waste material from our production. For available colours ask your Shepherd representative.

SEVEN REASONS TO GO WITH SHEPHERD®

Shepherd is an established and respected Swedish brand.
That is one reason why you can put your trust in us. But there are more ...

SERVICE

Our flexible and professional staff can assist you quickly with everything from orders to questions about the products. As a retailer of our products, you will be supplied with a login that gives you access to our database. This will allow you to access stock and product information and to place orders.

QUALITY

It doesn't matter if it's in our own factory or our European partners, quality is always under close control.

ENVIRONMENT

We only buy skins from suppliers who can guarantee they meet our very strict animal welfare standards, including mulesing-free sheep farming.

STOCK AND DELIVERY

Our central Swedish headquarter always offers very quick delivery.

MARKETING

We are happy to offer our retailer point-of-sales marketing material, to help the increase sales. We also boost your sales potential with our active public relations work and supporting advertisements.

ACADEMY

Sheepskin is not just any material. We are always more than happy to visit your store to fully explain the benefits to you and your customers.

DESIGN

To be able to meet different styles and trends, we offer a product mix of timeless classics and exciting new designs.
