Umbrellas

THE **2025-26** COLLECTION

KS BRANDS ltd

KSB

Welcome

ABOUT US

A member of the Laltex Group, established in the UK in 1962, we specialise in footwear, bags, and umbrellas. With over 60 years' experience and long-standing factory partnerships, we consistently deliver high-quality products, exceptional service, and a reliable brand your business can confidently work with. Our deep industry knowledge and flexible approach ensure we can meet the unique needs of every trade partner.

NEW COLLECTIONS

This collection sees the launch of our first recycled umbrellas, made from RPET (pg 25). We've also moved away from glossy cards and plastic fasteners, using uncoated labels and natural rope to reinforce our commitment to sustainability.

Alongside these exciting changes, explore our latest range of supermini umbrellas with fresh, fun and classic designs to suit every style!

Visit our showroom to view our full range in person and meet with our sales team.

CUSTOM DESIGNS

Our expert team of buyers and designers track key trends to create exciting collections at competitive prices. If you need something unique, we can work with you to develop a completely bespoke range – from material choices to packaging, helping you offer your customers something truly special.

WAREHOUSING

Our extensive warehousing keeps your stock safe and ready when you need it. Buy in bulk or let us hold stock for quick call-off deliveries – giving you flexibility, lower storage costs, and a reliable supply when it matters most.

TRADE WEBSITE

Register for our trade website today and simplify your ordering process. Check live stock levels, place orders, download images and more, all in one place. Available 24/7, it's your go-to tool for easy, convenient ordering.

WE'VE GOT YOU COVERED WITH OUR

Display Solutions

UU0001D - UMBRELLA STAND

Tall, removable side panels gives you the perfect solution to display a great range of Umbrellas, with the flexibility to wheel it into high traffic areas when it's raining to maximise sales.

The stand is supplied empty so you can fill with your own choice of umbrellas. Our improved stand now accommodates more stock with it's larger bottom trays.

STAND FILL CAPACTIY

112 folding umbrellas & 16 long style umbrellas

BRANDED HANG TAGS

All our umbrellas have **branded hang tags** with barcodes to aid point of sale inventory.

We offer a range of umbrellas in **display boxes** which are easy to place on the counter as soon as the rain starts to fall.

Their eye-catching design and small footprint make them ideal for all retail and wholesale environments. Each counter display box holds 12 fold-away umbrellas, each with individual hang tags to aid EPOS.

DON'T FORGET, ALL OF OUR DISPLAY SOLUTIONS CAN BE REBRANDED TO YOUR SPECIFIC REQUIREMENTS.

WE'VE GOT YOU COVERED

BUILD YOUR PERFECT

Umbrella

LET US MAKE YOUR IDEAS REALITY!

Our in-house design team will work with you and our Sedex approved factories to create a product and design exactly to your specifications and budget.

Working together, we will create an exceptional finished product, tailor-made exclusively for you. We've put together a quick guide helping to explain some of the technical terms used when designing your umbrella, it's all pretty simple really.

TIPS - The metal ends (or tips) of the ribs. The tips can be a flattened rib (AKA self tips), extra rounded metal tip or plastic covering can be added for decorative purposes.

SECTIONS - This is how many sections the main shaft is divided into for easy closing. A 3 section umbrella would be a classic supermini, 5 sections a tiny handbag micro and 1 section would be a traditional non-folding walking umbrella also known as a stick umbrella.

HANDLE - Available in many different shapes, materials and colours selected to enhance the overall look of the finished umbrella.

FABRIC CANOPY - This is the cloth cover and can be tailored in quality to the budget. Most umbrellas use 170T but we can use pongee if a velvety texture is required, or 170T for greater economy.

RIBS - The metal framework of the umbrella which run underneath the fabric canopy.

NOW YOU KNOW HOW TO TALK THE 'UMBRELLA LANGUAGE'

IT'S TIME TO GIVE US A CALL OR EMAIL AND WE CAN START TO BUILD YOUR PERFECT UMBRELLA.

RECYCLED *BY DESIGN*

Our recycled umbrellas are made using materials that give new life to existing resources, offering the same strength and reliability as our standard range.

The handle, canopy, runner and ferrule are made from **RPET (Recycled Polyethylene Terephthalate)**, created **from recycled single-use plastic**.

The frame, ribs and tips are made from **recycled aluminium** for a strong yet lightweight finish.

Each umbrella is packaged with a **recyclable uncoated card tag** and **rope Kimble**, supporting a more **sustainable** approach to production and packaging.
