BEARS FOR LIFE

LUXURY, BESPOKE BEARS, BEAUTIFULLY PRESENTED AND LOVINGLY CRAFTED

Born from love, loss and legacy, Blue Bear & Co. has created a collection of bears which have purpose and meaning. Our flagship Brown Bear, is a truly unique memory bear, it holds space for connection, healing, and remembrance. Whether given in grief, gifted with love, or simply given as a lasting keepsake. Each bear is individual, made with love and made to last.

We have two additional bears, each in our trademark blues. We are also excited to announce that our Pink Bear will be arriving very soon!

OUR VALUES

Compassion

We try to approach everything we do with care, compassion and kindness, from the way we craft our bears to the way we connect with others. We're growing a community that values thoughtfulness, meaningful connection and heartfelt gifts.

Inclusivity

Our bears are made for everyone, at any stage or any age. Whether given for loss, celebration, comfort, or connection, they are timeless companions and symbols of hope, courage and love.

Purpose Beyond Product

With every Light Blue Bear purchased a donation is given to a charity very close to our hearts Thumbs up for Charlie, supporting the families of children and young people fighting the devastating effects of childhood brain tumours.

Attention is in the Detail

Each bear has our branded ear tag and pin. Our Light Blue Bears ear pin is branded with has the Thumbs up for Charlie (TUFC) charity logo. Each bear is weighted with beans, proven to help reduce stress and anxiety. They are all packaged in our branded drawstring bags and branded statement tubes.

OUR PROMISE

We are committed to making more sustainable choices. Our bears are crafted with love and care. Each one is made from quality materials and filled with recycled stuffing. They are not made to be thrown away. Each bear has deeper meaning. They are timeless companions, designed to be cherished forever. Bears for Life.
