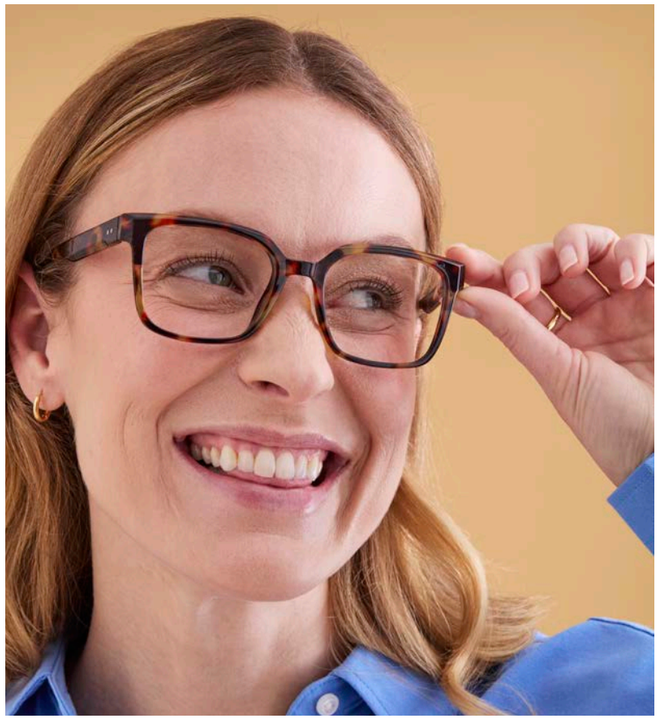
READERS co.®

WELCOME TO

THE RECYCLED READERS CO.®

The Recycled Readers Co® brings modern, design-led eyewear to the everyday wardrobe. Born in London, the brand blends expressive style with sustainable innovation, creating frames that make you feel confident, bold, and effortlessly put-together. Every pair is crafted from **100% recycled materials** - from the frames and lenses to the packaging and pouch - proving that eyewear can be stylish, responsible, and full of personality.

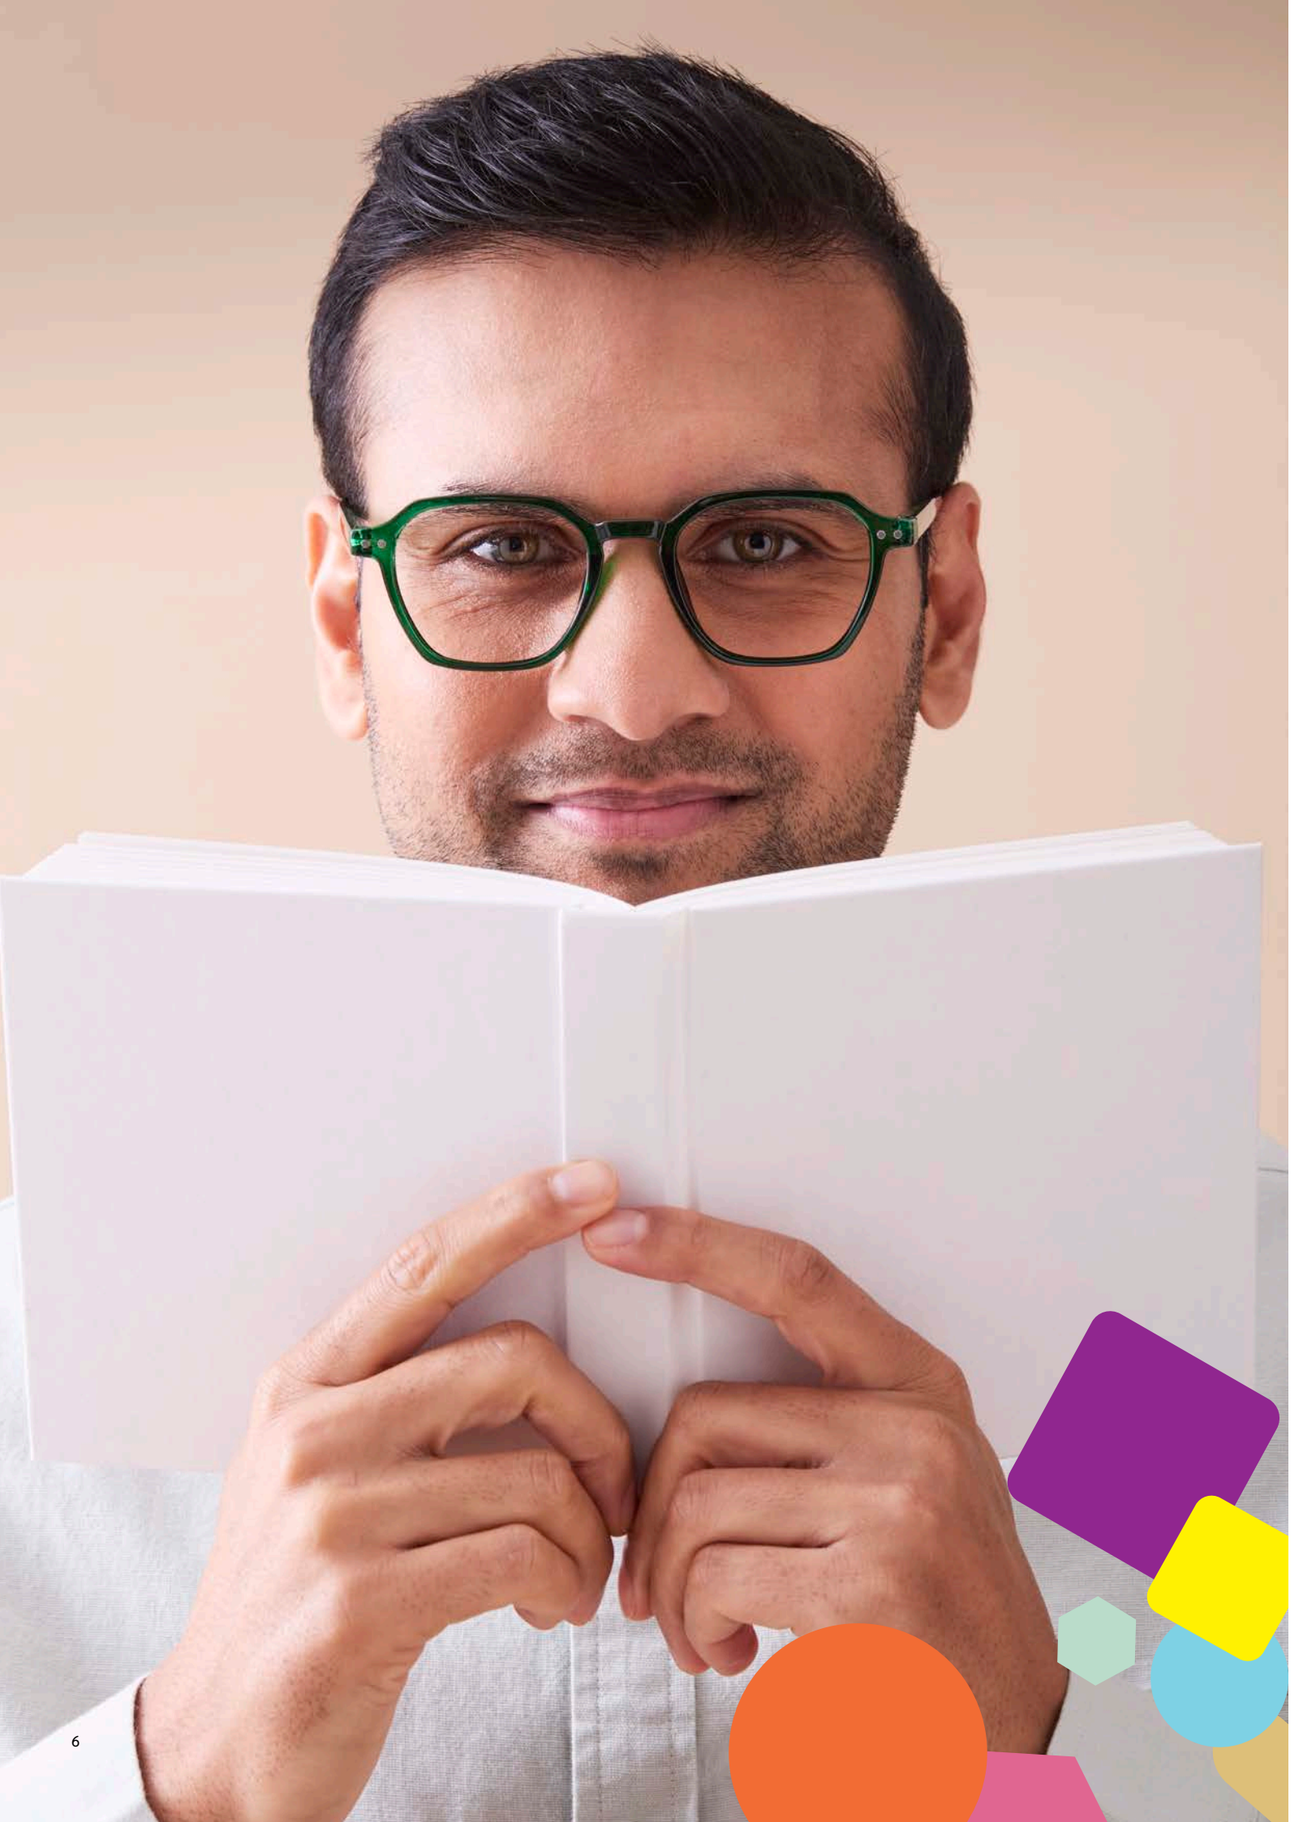
Inspired by the character of London's iconic districts, each design reflects individuality, creativity, and the spirit of self-expression. Whether reading, working, exploring, or relaxing, our eyewear fits seamlessly into daily life, delivering comfort, clarity, and style as we shape a future where fashion and sustainability go hand in hand - one recycled frame at a time.



SUSTAINABILITY & MATERIALS

- 100% recycled frames - durable, GRS-certified
- 100% recycled lenses - anti-scratch, distortion-free, GRS certified
- 100% recycled sliding box - FSC certified
- 100% recycled fibre pouch included with every pair
- Lightweight, long-lasting construction

Our mission is to reduce waste without compromising style, comfort, or quality.



THE READERS COLLECTION

THE RECYCLED READERS CO.®

A vibrant, fashion-forward collection of ready-to-wear reading glasses inspired by London's most iconic neighbourhoods. Each design is available in multiple colours and built for all-day comfort with spring hinges, lightweight construction, and an array of matte, crystal, satin, and patterned finishes.
