# Summerhouse by Navigate™

*Introducing Portofino, our brand-new collection of summer living products that capture the vintage era of La Dolce Vita on the Italian Riviera.*

*Our beautiful handwoven baskets fill the space for higher quality, must have summer items that deliver superior performance with a nostalgic design.*

*The range is complimented with unique tableware pieces that set the scene for drinking and dining to create that perfect Mediterranean tablescape.*

*The centrepiece of this stunning collection is our scalloped edged blanket with its lightweight design and stowaway duffle bag which we believe makes it the ultimate laydown this summer.*
