Zoë Rose

Painting woodland wildlife, cottage garden florals & whippets for people that love a little whimsical magic.

I invite you to step into my world. Nestled in the heart of the Wiltshire countryside. Surrounded by mystical woodlands and the ancient chalky hills of the historic Pewsey Vale.

Tucked away in an old cottage, you can find me with my paint brush in hand and my whippets by my side. My creativity spans both ink & acrylic, creating enchanting woodland scenes filled with magical animals, whimsical flowers and celestial skies.

Best Wishes,

Zoë
