CELEBRATING 20 YEARS OF UNITED ODDSOCKS

2026 marks a major milestone for Sock Academy as we celebrate 20 years of United Oddsocks, the brand that started it all. Built on the idea that socks don't have to match to belong together, United Oddsocks has spent two decades celebrating fun, creativity, and individuality through bold colours, characters, and themed designs.

New for 2026, discover our brand-new shaped packaging, created for greater shelf impact and gifting appeal, all designed in house, in Bedfordshire alongside our range of best-selling and innovative gift boxes.

OUR STORY

2006

United Oddsocks is founded with a simple idea: socks don't need to match to belong. Fun, colour, and individuality take centre stage.

2008-2015

The odd sock movement grows. Stocked by independent gift shops across the UK and beyond.

2016

We welcome Cockney Spaniel to the family! A brand full of British humour, bold designs, and everyday mischief.

2017

Cucamelon launches, designed especially for babies up to 4 years and their loving parents. Playful, colourful, and made for little adventurers.

As the business grows beyond one brand, United Oddsocks becomes Sock Academy, home to a growing family of sock brands.

2024

Stocked in 24+ countries worldwide, spreading joy across the globe.

2026

Two decades of standing out, embracing quirks, and celebrating individuality. Still bold. Still different. Still proudly odd.
