Elevate your style with authentic, handcrafted Indian handlooms that celebrate tradition and sustainability

### Jaspreet Singh

Founder

Jaspreet Singh comes from a robust Sales Leadership background, having dedicated 17 years to the IT industry. His career is marked by extensive experience in managing

businesses of varying sizes and customer segments. This extensive background underscores his ability to drive success and navigate complex business environments effectively.

For 15 of those years, Jaspreet was a significant player at Dell Technologies, operating out of Bangalore and Mumbai. His roles at Dell encompassed a wide range of responsibilities, including sales, business development, marketing operations, delivery, and customer care. This diverse experience highlights his adaptability and expertise across different business functions.

Jaspreet's comprehensive skill set and industry knowledge have been instrumental in his career. His ability to integrate various aspects of business operations makes him exceptionally skilled in overseeing and driving business success. His tenure at Dell has provided him with a strong foundation to tackle various challenges and opportunities.

At Qaushey, Jaspreet is the go-to expert for all operational needs. His deep understanding of sales, business development, and customer care ensures that every facet of the business is handled with proficiency and strategic insight. His leadership and experience make him an invaluable asset to the team, contributing significantly to the company's success.

Beyond his professional achievements, Jaspreet is known for his commitment to mentoring and developing talent within the industry. His leadership style not only drives business success but also fosters growth and innovation among his team members, making him a respected and inspiring figure in the business community.
