The production guide

Branding

Whether you are wholesale, retail or boutique, we offer private label services for all our customers, including burn stamp, tags, name labels and any other custom branding requirements.

Packaging

- Barcoding

- Carton printing

- Custom packaging- we have an internal setup to arrange any form of custom packaging you may require, from customized taping, to printed polybags, everything can be made possible for the shipment..

Logistics

FCL

The most cost effective way to send volume cargo is FCL, we have multiple tie up with the best forwarders in the world, we can facilitate the same by introducing you to forwarders and getting the best possible quote for freight.

LCL

Incase you would not like to buy a full container, your items can be consolidated with other cargo, extra charges may apply for LCL shipments, depending on the volume of the items.

AIR SHIPMENTS

For low volume shipments and samples, items can be sent via air, incase you have a courier account number please provide the same to us, alternately we can use our accounts with DHL,FEDEX and UPS to get you best possible air freight. The cost of freight can be added to the final invoice.
