**Jim Caprara**

2022 Chair

ATD Board of Directors

Welcome to Orlando, Florida, and the ATD 2022 International Conference & EXPO! We are excited to gather to collaborate, network, and learn together. We hope you find your time here rewarding and enjoyable.

Through the monumental workplace changes that have taken place over the last several years, you have proven your worth to your organization's success and growth and shown your resiliency in the ever-changing business climate and workplace. ATD is here to support you in your professional development and provide you with tools, solutions, and resources to help you navigate the workplace changes and employee expectations.

ATD22 is designed to provide world-class speakers, thought leadership, three great keynotes, and unprecedented collaboration opportunities. This premier industry event, offered in-person and virtually, gives the entire TD community the opportunity to attend the world's largest talent development conference.

Three dynamic keynote speakers will inspire you to think outside the box and create innovative solutions to your workplace challenges. Sara Blakely, SPANX Founder and Executive Chairwoman, will open ATD22. Jay Shetty, a *New York Times* bestselling author, life and purpose coach, and host of *On Purpose*, the number 1 health and wellness podcast, will speak on the second day of the conference. Bert Jacobs, Co-Founder and Chief Encouragement Officer of the \$150 million positive lifestyle brand Life is Good®, will close out the event.

ATD22 will feature more than 250 sessions across 14 learning tracks, including a new track on future readiness. The new track will help you stay abreast of the constant changes shaping the business world, employees and their expectations, and the talent development profession.

Also new this year, Learning Pathways provide curated recommendations that will help you navigate the more than 250 education sessions at the event. The Learning Pathways were created to answer a question we hear every year: "What should I go to?" Our ATD22 Program Advisory Committee curated nine learning pathways: senior leaders, new to L&D, global perspectives, career, instructional design, consultant, first-time ATD attendee, level up your talent development toolkit, and DEIB. We think all our programming is top notch, and not all sessions are in a pathway, so feel free to choose your own path or work across multiple pathways.

More than 300 suppliers feature new and exciting solutions on the world's largest talent development EXPO floor. This year's suppliers will be on-site and in a virtual interactive marketplace showcasing the latest learning technologies, tools, and resources to help you and your learners find success today and in the future.

Thank you for joining us at ATD22 and trusting ATD with your professional development. Please take advantage of everything the conference has to offer.

These learning paths are designed to help you determine which sessions you should attend in one of the identified focus areas. All our programming is top notch, and not all sessions are designated in a learning path, so select sessions that interest you to create your own personalized learning experience.

Please note: Learning path icons can be found with any corresponding session on the conference website, mobile app, and virtual platform. Sessions can also be filtered by the learning path in the search field.

#### **Talent Leaders**

## Talent Development for Good

### EXPO, WEST HALL B

In the spirit of our ATD Talent Development for Good Award, join us to celebrate and recognize organizations that leveraged talent development to make significant contributions to improve the lives of others, change an industry or community for the better, or serve society in a powerful way.

Our TD for Good stations will provide community service opportunities for all ATD22 attendees to give back to others and continue to spread the message of TD for Good.

#### Hours of Operation

Monday	9 a.m.-3 p.m.
Tuesday	9 a.m.-3 p.m.
Wednesday	9 a.m.-1 p.m.

### Monday: A Gift for Teaching

A Gift for Teaching seeks to provide educational resources that empower teachers to inspire future leaders. They care for teachers and students so that learning can occur for all, which we know ATD22 attendees can get behind! Stop by to assemble a school essentials kit, which contains pencils, paper, coloring supplies, and more. Our goal is to create 1,000 kits!

Exhibitors are also invited to donate leftover materials from the EXPO to A Gift for Teaching. Bins will be located by the Exhibitor Services Desk. A Gift for Teaching can use notebooks, pencils, books, technology items, and other tchotchkes to supplement supply kits and help teachers in the classroom. Please visit the Show Management Desk at Exhibitor Services to get a form and find out more.

### Tuesday: Children's Home Society of Florida

Today is all about helping young children and their parents! When you're a new parent, it can be overwhelming, confusing, and sometimes a bit scary. The questions are never-ending! The Children's Home Society of Florida's Healthy Families Program is there to help navigate the roller coaster of parenting. Through this free, voluntary program, parents receive support and guidance as they become the best parent they can be.

Stop by to create wooden puzzles, which will be packaged up and used by Healthy Families Home Visitors as teaching and bonding tools for parents to connect with their children and learn about their developmental milestones, age-appropriate activities, and more.

### Wednesday: Pet Alliance of Greater Orlando

Pet Alliance of Greater Orlando is Central Florida's largest nonprofit animal welfare agency. With two shelter locations, they rescue and adopt out over 7,000 dogs and cats per year.

We have two great ways to help support the homeless pets in Central Florida: stop by for a fun, stressbusting, cuddle break and bring along an old t-shirt from home and make a dog toy to send back to the shelter! By the final day of the conference, we have a feeling you might be missing home and benefit from a cuddle as well!
