# ATD23 Curated Learning Paths

Every year our attendees ask, "What sessions should I attend?" This year the ATD Program Advisory Committee curated learning paths to help you navigate all the education sessions we are offering.

- Consultant
- Diversity, Equity, Inclusion & Belonging
- First-Time ATD Attendee
- Global Perspectives
- Instructional Design Trends
- Level Up Your Talent Development Toolkit
- New to L&D

- Talent Leaders

These learning paths are designed to help you determine which sessions you should attend. All our programming is top notch, and not all sessions are designated in a learning path, so select sessions that interest you to create your own personalized learning experience.

Please note: When using the conference website, mobile app, and virtual platform, sessions can be filtered by the learning path in the search field.
