## Curated Learning Paths

These learning paths are designed to help you determine which sessions you should attend in one of the identified focus areas. All our programming is top-notch, but not all sessions are designated in a learning path, so select sessions that interest you to create a personalized learning experience.

## Begin Your Learning Designer Journey.

If you're a new learning designer, these sessions will provide a strong instructional design foundation.

## Build Immersive Learning.

If you're an L&D professional at any level, these sessions will provide a deeper dive into immersive learning technology and strategy.

## Level Up Your Instructional Design.

If you're an L&D professional looking for inspiration, these sessions will help you expand your knowledge and prompt ideas to challenge and inspire your teams.

## Leverage Learning Technology & Tools.

If you're a developer, designer, or facilitator, these sessions will provide insight into tools to help you make a deeper impact.

## Upgrade Your Learning Technology Strategy.

If you're a manager or decision maker, these sessions will help you execute technology-based learning initiatives.
