

LETTER OF AGREEMENT

June ____, 2025

This letter of agreement between _____ ("Company") and the Biotechnology Innovation Organization ("BIO") formalizes an understanding under which Company will be permitted to videotape certain portions of the 2025 BIO International Convention ("the Convention"). Company is permitted to film and photograph the Convention events at BIO's discretion. Company will film the events at no cost to BIO.

Company agrees to the following terms and conditions:

1. Company is solely responsible for obtaining any release required by applicable law or regulation from any and all subjects whose images or voices are recorded, and Company will not use such images without first obtaining any such required release.
2. Company shall obtain and maintain during the term of the Convention all licenses, certifications, permits, and any other approvals, if any, necessary or required by law for their performance of the recording/filming/videotaping services. In providing the services, Company shall be in compliance with all applicable federal, state and local laws, codes and regulations.
3. Company shall indemnify and hold harmless BIO against all claims, liabilities, costs or damages (including reasonable attorneys' fees and any cost of lawsuit), arising out of or connected with the services provided by Company during the Convention that are not the result of BIO's sole negligence or willful misconduct.

By signing below, Company expressly agrees to the terms and conditions as outlined in this agreement.
