Continue

Do you have a support person managing your meetings?

Add them as a guest to access your partnering account on your behalf

- 1 Click on your **Name/Headshot** in the upper right corner
- 2 Select **Edit Profile**
- 3 Click on the **Preferences** tab
- 4 Under **Guest Settings** add the email address of your guest

TIP:

Add your guest email address as the **Alternative Email Address** in the **Notification Settings** field as well so they receive important updates.

View & share the guest access tutorial at letspartner.bio.org/resources

Adding Guest Access does not constitute registration to the event, does not create a separate account for meetings and will not allow you access onsite at the event. Please register for the event to receive a partnering account.

My Company

My Company (continued)

The screenshot shows the 'My Company' profile page in the Bio Partnering system. On the left is a sidebar with the Bio Partnering logo and navigation links: 'Request Meeting', 'Dashboard', 'My Company' (highlighted), 'Calendar', 'Meetings', 'Favorites', and 'Search'. The main content area is titled 'My Company' and features a search bar, a user profile for Nicholas Zuccaro, and a large profile card for the 'Biotechnology Innovation Organization'. The profile card includes the Bio logo, the organization's name, its type ('Public, NPO, govt., economic development'), and location ('Washington, District of Columbia • United States'). Below this is a box with a LinkedIn icon and an 'Edit Profile' button, which is highlighted by a red rectangle. A red arrow points from a callout box to this 'Edit Profile' button. Below the profile card is a 'Profile Visible' toggle. At the bottom, there are sections for 'Brief Description', 'Description', 'Assets, Services & Market Products', and 'Leadership & Delegates'. The 'Brief Description' and 'Description' sections contain text about BIO's role in the biotechnology industry. The 'Assets, Services & Market Products' section shows 'Assets (0)' and 'Services Offered (3)', with 'Membership' listed under services. A 'Sponsored by:' section at the bottom left shows the Bio Partnering logo.

Maximize your searchability & visibility with a complete profile.

Update & add to your company profile at any time.

Assets, Market Products, & Services

Make it easy for the right partners to find you with Asset, Service & Market Product information.

The screenshot shows a profile page for a "Biotechnology Innovation Organization". The profile includes a bio, location, and a "Profile Visible" toggle. Below the profile, there are tabs for "Leadership & Delegates", "Assets", "Services", and "Market Products". The "Assets" tab is highlighted with a red box. Below the tabs, there is a "Create New Asset" button with an "Add Asset" sub-button, also highlighted with a red box. Below this, it shows "Assets (0)" and "No Assets Available".

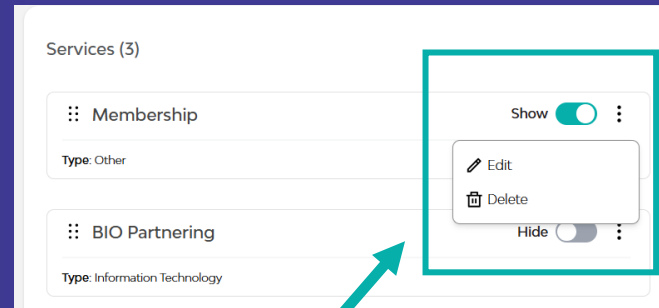

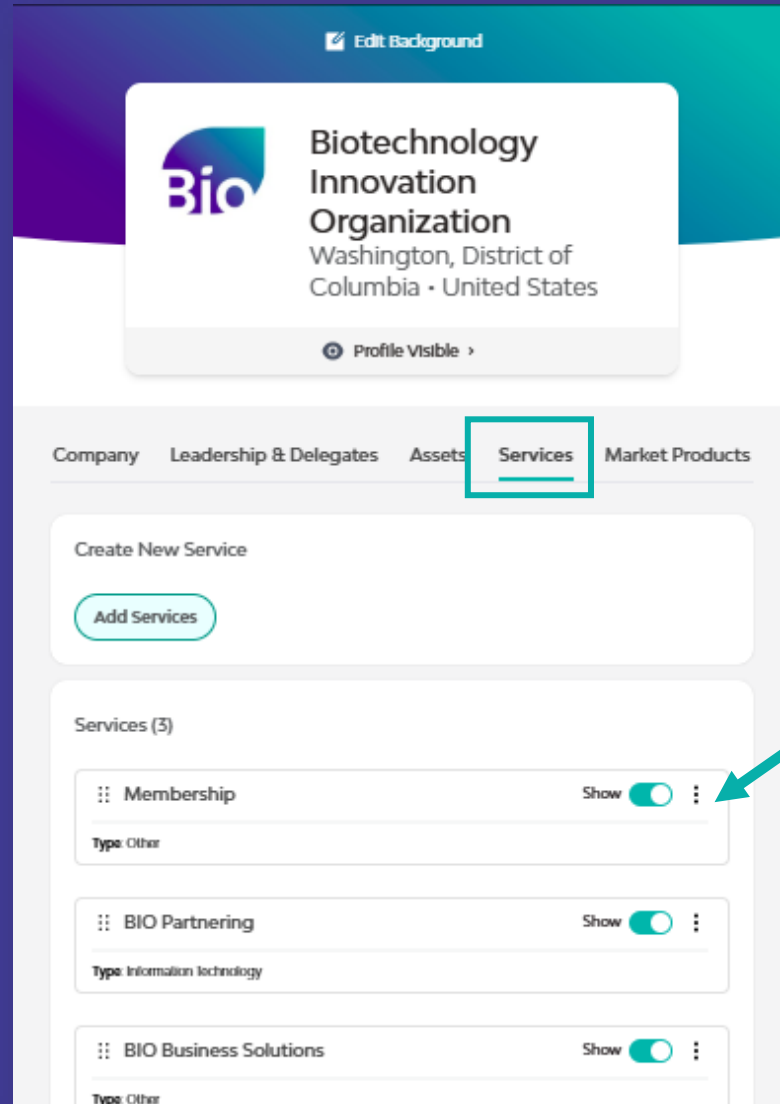

The "Create New Asset" form is shown with a red box around the title and a red arrow pointing to it. The form includes the following fields:

- Asset Name:** A text input field with a red asterisk indicating it is required.
- Asset Type:** A dropdown menu with the option "Choose Asset Type".
- Asset Partnered:** A dropdown menu with the option "Not Partnered".
- Company Website:** A text input field with the placeholder "Enter Company Website".
- Keywords:** A text input field with a placeholder "Enter Keywords" and an "Add" button.
- Description:** A text area with a rich text editor toolbar (bold, italic, underline, list, link, image).
- Highest Development Phase:** A dropdown menu with the option "Choose Development Phase".
- Clinical Indication:** A dropdown menu with the option "Choose Clinical Indication".
- Mechanism of Action:** A dropdown menu with the option "Choose Mechanism of Action".
- Technologies:** A text input field.

At the bottom right, there are "Cancel" and "Save" buttons.

Segment your search further by using these headers

Sort by recently added & updated companies

The screenshot displays the Bio Partnering search interface. At the top, a search bar prompts the user to 'Type keyword(s) and press enter'. To the right of the search bar are buttons for 'Save Current Search' and 'Saved Searches', along with a user profile for Nicholas Zuccaro, Sr. Manager, Partn... Below the search bar, the results are categorized by '144 Results', with sub-counts for 'Companies 52', 'Delegates 62', 'Assets 11', 'Market Products 9', and 'Services 10'. The main content area shows two company profiles: 'Diamond Biopharma' and 'Solar Biotech'. Each profile includes a logo, a star icon, a 'Request Meeting' button, and a brief description of the company's focus. The 'Diamond Biopharma' profile mentions 'oncology' and 'cancer patients', while the 'Solar Biotech' profile mentions 'solar energy' and 'biological processes'. To the right of the main content area, there is a sidebar with 'All filters' and various filter options, including 'Company Filters', 'Company Name', 'Include Company Type(s)', 'Exclude Company Type(s)', 'Licensing/Funding Objectives', 'Primary Therapeutic Areas', and 'Secondary Therapeutic Areas'. A dropdown menu is open, showing 'Recently Updated' as the selected sort option, with other options like 'A-Z' and 'Registration Date' visible. The bottom of the page features a footer with 'Sponsored by: Bio Partnering', '© BIO Partnering 2024. All Rights Reserved', and links for 'Privacy Policy', 'Terms of Use', and 'Contact BIO'.

Innovative Approaches to Chronic Disease Therapies

Dear Ronald Phillips,
NuTherapeutics sees a unique opportunity to engage with Unity Pharma in advancing treatments for chronic conditions. With a focus on **cardiovascular and genetic disorders**, we are seeking **co-development opportunities and strategic partnerships** to bring innovative therapies to patients.
I look forward to discussing potential areas of alignment.
Best regards,
Marqo Blevins

Advancing Therapies in Cardiovascular and Genetic Disorders

Dear Ronald Phillips,
NuTherapeutics is committed to transforming medical care in areas of significant unmet need, with a focus on **gynecology, dermatology, andrology, cardiovascular diseases, genetic disorders, and genitourinary health**. Considering Unity Pharma's expertise in developing treatments for chronic conditions, we believe there is a strong potential for collaboration to address critical patient needs.
We would welcome the opportunity to discuss how our **innovative therapeutic platforms** and ongoing research could complement Unity

Four Steps for Success

- 1. Complete Your Profile**
Complete/update your company and personal profile information to make it easier for others to find you. **Remember: information = visibility. Add detail to your profile to show up in more search results.**
- 2. Select Meeting Availability**
Let us know when you're available to take meetings by opening availability in your partnering calendar.
