AeroPilates®

Reformer Pilates has a remarkable 100 year history. Now AeroPilates is transforming home-based fitness.

www.aeropilates.eu

AeroPilates®

AeroPilates is a lifestyle and body conditioning programme derived from the original, authentic teachings of Joseph Pilates in the 1920's. The AeroPilates Reformer offers a direct route to complete body health and function. AeroPilates represents a unique approach to exercise that develops body awareness, improves and changes the body's postural and alignment habits, while increasing flexibility, strength, endurance and ease of movement.

REFORMERS

AeroPilates Home Studio

With the patented Cardio Rebound and fold up design for compact storage the AeroPilates Reformer is suitable for every home.

ACCESSORIES

Programme Development

As you develop it is possible to build the programme with additional attachments to take you to the highest levels of fitness and body function.
