

An aerial photograph of a coastline. On the left, dark, jagged rocks are partially submerged in the water. The water is a vibrant turquoise color, with varying shades of green and blue indicating different depths and textures of the seabed. The overall scene is bright and clear, suggesting a sunny day.

THE STORY

Esencia Adria is a line of hair and body care products inspired by the Adriatic sea, herbs, fruits and scents of the warm and sunny Adriatic coast! We wanted to wrap up scents and experiences of the Adriatic summer and put them into gentle products that you could enjoy all year round.
