A CONSCIOUS LIFESTYLE

Rhug Wild Beauty was born from a deep-rooted belief in the harmonious coexistence of human needs and environmental stewardship. Inspired by the rich biodiversity of the rolling hills of Rhug Estate, we envisioned a luxury skin and body care brand that would not only nourish the skin but also respect and protect the planet.

Rhug Wild Beauty goes beyond skincare, it's an invitation to embrace a conscious lifestyle that nurtures both your skin and the planet. Our products are meticulously crafted with the purest ingredients sourced from our organic farm, reflecting our commitment to sustainability. Our wellness treatments elevate this experience, immersing you in a holistic journey that awakens all the senses.

RHUG WILD BEAUTY

THE FOUNDERS

Lord Newbrough has been pioneering the way in organic and sustainable farming for decades, driven by his determination to be at the forefront of being kind to the environment and to ourselves, be that through our eating habits or what we put on our skin. He believes that genuine luxury resides in the harmonious blend of indulgence and environmental responsibility, and Rhug Wild Beauty serves as a testament to this philosophy.

“We believe that true beauty extends beyond the skin to encompass a holistic well-being that nourishes both body and soul.

This philosophy is the driving force behind our expansion into wellness treatments, a journey that brings our commitment to organic sustainable luxury to an even deeper level.” – Lord Newborough

SUSTAINABILITY COMMITMENT

SUSTAINABLE INGREDIENTS

At Rhug Estate, we embrace a balanced approach to skincare, where effective care meets sustainable practices. Our products are meticulously crafted using sustainably sourced ingredients from our organic farm and eco-friendly producers, ensuring top-notch quality while minimizing environmental impact. The diverse landscape of Rhug Estate provides a rich source of wild foraged ingredients, further enriching our natural essence.

HANDCRAFTED IN THE UK

Our UK-crafted skin and body care range is meticulously hand-made using traditional techniques and the finest ingredients. We prioritise quality and integrity throughout the manufacturing process, ensuring that each product embodies our commitment to sustainable excellence.

CARBON NEUTRALITY AND BEYOND

Rhug Estate is committed to sustainability and has achieved carbon neutrality using renewable energy sources, and we've been awarded the Royal Warrant in recognition of this. We're also proud to offer carbon-neutral web sales and fully recycled and carbon-offset packaging.

FACIAL TREATMENTS

CONNECTION TO NATURE

60 or 90 Minutes

Connect with nature this connecting treatment an Ayurvedic element to detoxify and stimulate the skin. You will be left with a revived & glowing complexion that is both enriched and strengthened, boosting your skin as part of a detoxifying ritual giving clarity to the skin, after which you can expect to feel rested & rebalanced.

WONDERS OF MYCELIUM

60 or 90 Minutes

Utilises foraged ingredients & Rhug Wild Beauty muslin cloths to create personalised Poultice.

From the roots of the forest, this ultimate soothing facial includes gentle yogic stretches and an abundance of care and attention to detail. Handmade poultices from the Estate's grounds containing organic matter are used to clear congestion and reduce tension. Enjoy a deep state of relaxation leaving you with a glow both inside and out.

BODY TREATMENTS

EARTH, FIRE AND ICE MASSAGE EXPERIENCE

60 or 90 Minutes

The Fire and Ice Massage is a unique treatment that combines the use of iced tools and warm stones to invigorate, rebalance, and renew the body. The treatment begins with the use of iced tools to ease tension and boost circulation. Warm stones are then used to melt away stored stress and leave the body feeling relaxed and rejuvenated.

AWAKENING MOON RITUAL

60 or 90 Minutes

The treatment includes a singing bowl experience.

Utilising earthly elements from the Rhug Estate to ground and enlighten whilst encouraging rest. This experience begins with controlled stretching followed by deep relaxation created through the permeability of sound in our body which brings our nervous system to a natural state facilitating the release of fear and stress. Meridians are targeted to clear heat, reduce water retention and restore energy.
