## **BUILDING CAPACITY, CAPABILITY AND WEALTH**

NCCI is uniquely positioned as a conduit between mainstream business and the wider Aboriginal Community.

We foster trade and advocates to Government on behalf of our members on the issues our business community is experiencing.

- Our Values are underpinned by Aboriginal business protocols
- We support all Aboriginal businesses in every region across the state
- We believe in the commercial economy, contracts and jobs, as the answer to addressing social disadvantage in our communities.
- We provide business support on a range of business fundamentals from Business opportunities to International trade

# Corporate Partners

Our Corporate Partners have demonstrated their commitment to the vision and purpose of NCCI by investing in the future of our organisation. We are incredibly proud of the relationships we have built with these businesses who are supporting the future of Aboriginal business in WA.
